

ESSENTIAL REPAIRS AND IMPROVEMENT WORKS

A few things to remember during the essential repairs and improvement works programme:

- Works will take place Monday – Friday from 09.00 – 18.00
- Don't forget to check the weekly lookahead schedule as you enter your block and accommodation reception to see when works might be a little noisier
- Check out the iExeter app to see which study spaces are available, should you wish to study elsewhere
- Works will stop during exam periods, please check the website for the exact dates
- Remember to keep your windows shut if advised to do so by the weekly lookahead schedule or a member of the team. This will minimise the chance of dust, or any materials, entering your room
- A net curtain has been provided for your own privacy, please do use it
- Check out the accommodation website where we will be sharing all of the latest updates

We would like to apologise for any inconvenience caused by our essential repairs and improvement works and would like to assure you we will be working hard to keep any disruption to a minimum. If you have any concerns please contact us immediately: residencefeedback@exeter.ac.uk

In the case of an emergency outside of normal office hours or over the weekend, please contact the Estate Patrol team on 01392 723999.

We will be holding monthly drop-in sessions should you wish to come along and have a chat to us about the works, sessions will be advertised in accommodation receptions and on the website.
