

Self-catered residences

What you might want to bring:

Alarm clock and personal effects	
Bedding, including pillows and a duvet - available from Click2Campus or local shops. Check the mattress sizes in your residence before buying!	
Bike and bike lock	
Cleaning products for your room, en-suite and kitchen (where applicable)	
Coat hangers	
Computer/laptop	
Electrical appliances under 1200 watts in power* (eg hairdryers, stereos)	
Extension leads for power and Ethernet connections and UK adaptors if required*	
Formal photo identification, eg passport or driving license – this is needed to allow you to collect your key/fob	
Kitchen utensils – cutlery, crockery, pots and pans, chopping board, glasses etc.	
An iron – though you can buy these locally. Communal ironing boards are available	
Pins for your pinboard - there are poster sales on campus throughout the year	
Stationery - the campus shops will also sell stationery, as will shops in town	
Towels and tea towels	
TV license (if you plan on watching live TV via your PC or laptop – aerial sockets are not provided in all study bedrooms)	
Washing powder and laundry bin - for your laundry	

We provide:

Curtains – all study bedrooms are equipped with flame retardant curtains which should not be replaced with your own
Cleaning equipment such as vacuum cleaners, irons etc – you will have access to communal equipment
Desk lighting – this is provided in your room, with the exception of Rowancroft en-suite and studio rooms

The following items are not permitted:

Any additional furniture or coat rails, unless required for medical reasons and pre-agreed with AccessAbility
Candles, incense or any open flame device
Electrical appliances over 1200 watts in power

*All students' electrical equipment must be safe and in particular (a) be CE marked, (b) have sound mains lead and plug, (c) be correctly rated for fuses fitted for the appliance, and (d) not be used in a combination which overloads the electricity supply.
