Exeter is a vibrant, cosmopolitan city easily accessible by air, road and rail. Steeped in more than 2,000 years of history, with its Roman walls and maritime links, this cathedral city is a fascinating place to explore. Whether you are interested in heritage, nature, sports, shopping or food and drink, Exeter has something for all to enjoy.

Location

The University of Exeter lies within reach of the M5 motorway and is easily accessed by both rail and air. Set across two stunning campuses, the university boasts an impressive array of sports facilities and on-site amenities. The Streatham Campus is set in 300 acres of woodland and landscaped gardens and is recognised as probably the most beautiful and interesting botanical garden of any British University. Take time out to follow the University Sculpture Walk and enjoy 23 sculptures, including sculptures by Barbara Hepworth and mosaics by Elaine M Goodwin.

Sport

The exceptional sports facilities on campus include a main sports hall, outdoor multi-use games area, hockey pitch, rubber crumb pitch and sand pitch. Indoor facilities include a tennis centre, cricket centre, 2 dance studios and a multi-purpose gym. We also have both an indoor and outdoor pool. Facilities can either be used on a casual basis or pre-booked to meet your individual requirements (groups of 15 or more must pre-book). Once we have a full list of your requirements we can create a bespoke package to suit you.

Accommodation

We have a wide range of accommodation available and will always endeavour to place your group in the most suitable area. You may wish to be near to the city centre or prefer a quiet location close to the sports facilities, whatever your needs we can be flexible in our approach. Discounted rates are offered for group bookings of 15 or more. (Please see our 'Accommodation' insert for detailed information about our residences).

Meeting Facilities and Common Rooms

A variety of classrooms and lecture theatres are available on both campuses; supported by a full range of audio-visual equipment and in-house technicians. These facilities are ideal for study groups or informal group gatherings. Please contact a member of the team for further information.

Event Co-ordination

An event co-ordinator will be responsible for your booking and will work with you every step of the way to ensure your visit is an enjoyable one. We have a wealth of local knowledge and are able to recommend and assist in the booking of off-site facilities. Accommodation and meals can be booked separately or for your ease we can create a 24 hour rate, incorporating costs for the use of additional sports facilities.
