

## **ENVIRONMENTAL AND SOCIAL RESPONSIBILITY POLICY**

At Reed Hall we are committed to working in a sustainable way for all events taking place within the venue and also supporting the University of Exeter's wider campus sustainability policy.

As a sustainable venue, we are taking the following actions in order to achieve this:

- We comply with the requirements of environmental legislation and approved codes of practice
- We continually seek to improve our environmental and social performance
- We continually seek to reduce our pollution, emissions and waste
- We continually seek to reduce our use of energy, water and other resources
- We raise awareness, encourage participation and train employees in sustainable business practices
- We expect similar environmental standards from all suppliers and contractors
- We assist customers to use products and services in an environmentally sensitive way
- We are proud to support local suppliers in respect of food provisions wherever possible
- We support Fair Trade by using only Vista tea and coffee
- We liaise with the local community
- We have minimised our risks associated with social and environmental issues
