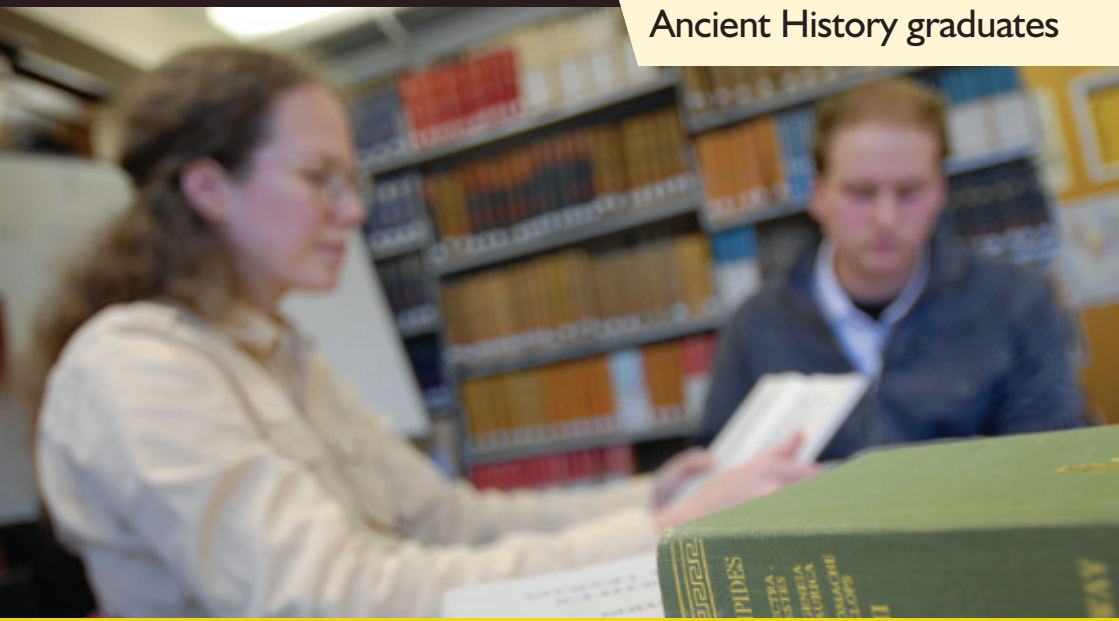
UNIVERSITY OF EXETER

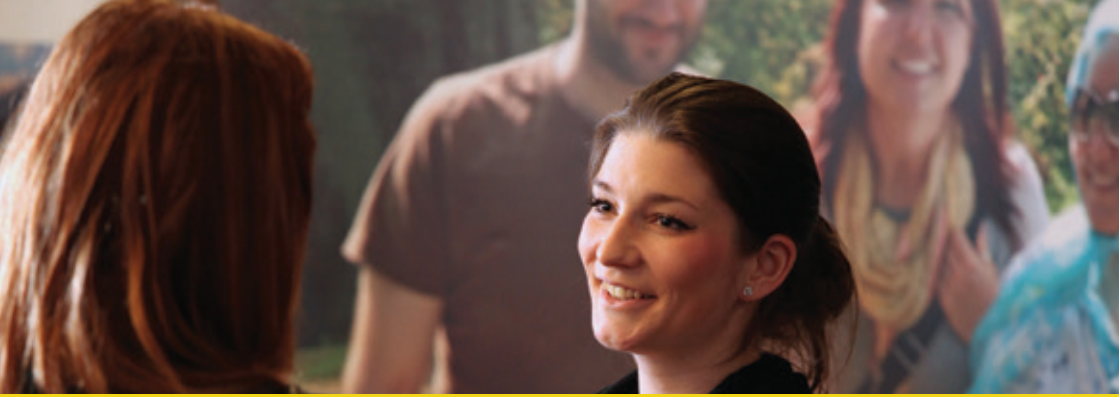
CAREER ZONE

Careers for Classics and Ancient History graduates



With a Classics and Ancient History degree from the University of Exeter, you'll be able to:

- understand other cultures and a complementary range of subjects like language, literature, linguistics, philosophy, history, art and archaeology
- demonstrate bibliographical and library research skills, textual analysis, historical methods, visual skills characteristic of art criticism, use of statistics, philosophical argument and analysis, and skills in translation from and/or into Greek and/or Latin
- understand a range of viewpoints and critical approaches
- gather, memorise, organise and deploy information, extract key elements from data and identify and solve associated problems
- engage in analytical, evaluative and lateral thinking
- present material orally and in writing



Where can your degree take you?

Skills, expertise and knowledge gained via a Classics and Ancient History degree are important if you want to pursue a career in archives, museums and teaching.

A degree in Classics and Ancient History will also equip you with skills that will allow you to move into other areas of employment.

Here is a snapshot of the jobs, employers and further study programmes that our recent Classics and Ancient History students have progressed to soon after graduation.
