

Careers for Film  
Studies graduates

## With a Film Studies degree from the University of Exeter, you'll be able to:

- use advanced skills in writing to communicate effectively in an appropriate style and apply sustained written and oral arguments coherently and persuasively
- analyse and critically examine diverse forms of media and audiovisual communication
- gather, sift, interpret and organise substantial quantities of diverse information in structured ways
- exercise independent thought and judgement in handling information and arguments in a critical and self-reflective manner
- comprehend and develop intricate concepts in an open-ended way that involves an understanding of aims and consequences
- undertake independent research and make use of archival materials, library-based and digital and electronic resources

## Where can your degree take you?

Skills, expertise and knowledge gained via a Film Studies degree are important if you want to pursue a career in film, media, publishing, fashion or other creative industries

A degree in Film Studies will also equip you with skills that will allow you to move into other areas of employment.
