# Welcome to the University of Exeter

Dear Student,

Many congratulations on gaining a place to study with the University of Exeter. We are delighted that you have chosen to study at our prestigious institution. At the University of Exeter we are proud to welcome students, staff and visitors from around the world and we are looking forward to meeting you at our university soon.

We are based on four beautiful campuses across the South West of England, an area of outstanding natural beauty and coastline. Our students are based on the Streatham Campus in Exeter. A second campus, St Luke's (also based in Exeter), is home to our Medical School and Health Services Research, Graduate School of Education, and Sport and Health Sciences. A further campus in Penryn, Cornwall (funded extensively by the EU and the UK government), has a range of science, humanities and social science programmes, and specialises in environment and sustainability, mining engineering and geology. Our Truro Campus is the base for University of Exeter Medical School students studying MSc Environment and Human Health and for a proportion of Bachelor of Medicine, Bachelor of Surgery (BMBS) students during years 3, 4 and 5. It is also the home of the European Centre for Environment & Human Health (ECEHH).

We employ around 4,500 staff, and are large enough to offer all the facilities you'd expect to find in an outstanding Russell Group university, but small enough to retain a friendly and cosmopolitan atmosphere. By studying and taking part in all our extensive opportunities outside the programme – from starting your own business and entrepreneurship to volunteering and improving your job prospects – you are joining a community of 22,000 students, including over 5,000 non-UK students from 130 different countries.

We value greatly the contribution you make as an international student to the educational, cultural and social environment of the University. We are one of the world's leading universities; in the UK top 10 (9th in the latest *UK Times Good University Guide*); voted *Sunday Times* University of the Year 2012/13; and recently ranked 1st in the International Student Choice category (Whatuni; 2015). We know you will help us to continuously improve our university and we will work in partnership with the whole of our student community to do this.

Studying abroad is exciting but it can also be challenging. This guide has been written with your needs in mind. It is designed to answer practical questions about living and studying at our campuses. There is a lot of information but please do read it carefully. If you have further questions please contact any of the people listed in this brochure.

I wish you a safe journey and we look forward to supporting you as you become one of our exceptional students.

**Professor Janice Kay, CBE**  
Provost

# How to use this guide

Coming to study in another country is an exciting experience and we know you will have many questions. This handbook has been written with you in mind and we hope that the information it contains helps you to answer some of those questions and plan for your studies in the UK.

You should read the entire guide as much of the information will be relevant to you. Some information is relevant to all our campuses, some is campus specific and will be noted as such. We recommend that you print the guide and keep it in your hand luggage, along with information about your accommodation, when you travel to the UK. You will then have all the instructions on arrival and useful telephone numbers will be easily accessible.

We also strongly recommend that you make contact with your local British Council office while you are preparing to come to the UK. Take a look at the British Council's website [www.educationuk.org](http://www.educationuk.org) It will provide you with very useful information and give you an exciting taste of life in the UK!

## Any questions?

If, after reading the information, you still have questions or would like clarification on any aspects please contact any of the people listed in the guide and they will be pleased to help. If you have more general questions and are not sure who to ask please contact the International Student Support Office:

Exeter campuses email  
**sid@exeter.ac.uk**

Cornwall campuses email  
**info.penryn@exeter.ac.uk**

- If you have a serious problem when you arrive, outside UK office hours, please contact the University emergency telephone number +44 (0)1392 723999. If you arrive in Cornwall, please contact +44 (0)1326 253503.
- We look forward to meeting you at the beginning of your stay at the University of Exeter.

## Feedback

If you would like to give feedback on this guide you can do so by emailing us at Exeter campuses email **sid@exeter.ac.uk**

# Your offer

## If your offer is 'unconditional'

This means that we do not require any further evidence from you (prior to arrival at university) to prove that you meet the admission requirements. If you have not done so, you should formally accept your offer of a place. If you are an undergraduate, you should inform UCAS of your decision. If you are a postgraduate, you should contact our Admissions Office to confirm your acceptance.

If you require a visa to study, you will need to present original documentation for any qualifications listed on your CAS, along with your visa and passport at International Student Clearance, when you first arrive at the University of Exeter, as you will not be permitted to register until you have done so. If you are an EU passport holder and do not require a visa to study, you will need to present your passport and original qualifications documentation. If you are unsure please contact the Admissions Office.

If your documents are not in English, you must also supply a certified translation.

## If your offer is 'conditional'

This means that the University requires further evidence of your qualifications before they can give you admission. If you are an undergraduate, you can view the conditions of your offer on UCAS Track. If you are a postgraduate, your offer email will state the conditions of your offer. The offer may be conditional on an exam you have yet to take or for which you are awaiting a result. If this is the case, you should send a copy of your transcript to the

Admissions Office as soon as you receive it, even if you are short of the required grade.

Your offer letter may also ask for an English language score. If you need to improve your English level before meeting the conditions of your offer, you may wish to consider a Summer Pre-Sessional English course at INTO University of Exeter.

You can accept your offer of a place before it becomes unconditional. If you are an undergraduate, you should inform UCAS of your decision. If you are a postgraduate, you should contact our Admissions Office to confirm your acceptance.

You will need to present original documentation for any qualifications listed on your CAS, along with your visa or entry clearance form and passport at International Student Clearance, when you first arrive at the University of Exeter (you will not be permitted to register until you have done so).

If your documents are not in English, you must also supply a certified translation.

## If you are a year/semester Study Abroad, International Exchange or Erasmus student

If you have met the requirements for the study abroad/ exchange programme then you will be sent an official acceptance email. If you require a Tier 4 (General) Student visa to study, you will need to present original documentation for any qualifications listed on your CAS, along with your visa and passport at International Student Clearance, when you first arrive at the University of

Exeter, as you will not be permitted to register until you have done so. If your documents are not in English, you must also supply a certified translation. If you are unsure of requirements, please contact your home university international office or email [inbound@exeter.ac.uk](mailto:inbound@exeter.ac.uk)

## If you are an Erasmus student

You will not have to fulfil any requirements other than those already communicated to you by the terms of the Erasmus programme and within your letter of acceptance. If you are unsure of requirements, please contact the Erasmus Office at your home university or the Erasmus Officer at Exeter [inbound@exeter.ac.uk](mailto:inbound@exeter.ac.uk)

## Pre-departure briefings

In some countries, the British Council coordinates pre-departure briefing sessions for students coming to the UK. These sessions provide advice which you will find very useful if you are unfamiliar with the UK. You should contact your nearest British Council office for further information: [www.britishcouncil.org.uk](http://www.britishcouncil.org.uk)

We also organise pre-departure briefings. Details of these will be sent to you if they are taking place in your home country.

During the summer, we will send you various pre-arrival emails. Please make sure you read them and check your junk email folder to ensure they haven't automatically gone there – they are full of useful information to help you prepare for study and life at the University of Exeter, as well as vital information about your programme during Freshers' Week or January Orientation.

## General advice

### Passport

Please ensure that you have a valid passport – if you need a new one or if your current passport needs to be renewed, do this as soon as possible because the process can take several months. You must have at least one page which is blank on both sides in your passport and we recommend that your passport be valid for at least three months after you arrive in the UK.

In some countries passports are gradually being renewed/updated so that they meet the latest international standard. The new passports are machine readable and contain encoded biometric information. If you are not living in your home country, please check with your embassy whether you need to return to your home country to get a new passport.

### UK immigration

The UK immigration rules affecting everyone coming to live and study in the UK are available on the UK Visas and Immigration (UKVI) website. You can also get relevant information from the British Embassy, equivalent in your country or their partner agency.

All students who are non-EEA nationals and who will be studying in the UK for more than six months will need to apply for a Tier 4 (General) Student 'entry clearance' visa.

### Advice and assistance on UK immigration

Before you arrive and while you are studying with us, specialist advice on complex immigration matters is available from the **International Student Support Office (ISSO)**. Email ISSO at [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or [info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk) for Cornwall based students. If you experience any immigration problems please contact us immediately.

The ISSO provides immigration advice and services to prospective students, current students and recent graduates, as well as to their spouses and other dependent family members.

The designated advisers in the ISSO are the only staff at the University who are authorised to provide immigration advice. They are regulated by the Office of the Immigration Services Commissioner which guarantees the competence of advisers and ensures the quality of the advice or assistance provided. Further details about the Office of the Immigration Services Commissioner are available at [www.oisc.gov.uk](http://www.oisc.gov.uk)

### EEA and Swiss students

If you are an EEA or Swiss national and have been accepted onto a course of study, you can enter the UK without needing a stamp from an immigration officer and you have the right of residence for the duration of your course.

If you are exercising your treaty right to enter the UK to study, then your husband or wife and your dependant children are entitled to join you in the UK.

After you arrive in the UK, you can apply for an EEA registration certificate so that you can easily prove your right to work and study in the UK [www.gov.uk/eea-registration-certificate](http://www.gov.uk/eea-registration-certificate)

### Croatian students

If you are a citizen of Croatia, we strongly recommend that you apply for a student registration certificate, known as a 'yellow registration certificate': [www.gov.uk/croatian-national](http://www.gov.uk/croatian-national) The certificate confirms your rights to live in the UK as a student and to work part-time during your studies. You can only apply for the certificate after you arrive in the UK, and you will not be able to work until the certificate is issued.

# Visas and immigration

## All other international students

### Immigration rules

Most students who are non-EEA nationals and coming to study in the UK for more than six months will need to apply for a Tier 4 (General) student visa. If you have any other type of visa it is very important that you make sure that this will allow you to study in the UK. If you are unsure please contact [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or [info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk) for Cornwall based students. Passengers arriving in the UK without a visa will be refused permission to enter.

### How the Tier 4 (General) immigration rules will affect you

Tier 4 (General) students have a number of specific duties and responsibilities imposed by UKVI. The key requirements that you should be aware of include the following which you must do:

- comply with the conditions of your immigration permission (eg only working part time, registering with the police);
- register on a full-time course of study at the education institution which is printed on the visa in your passport or your BRP (Biometric Residence Permit) card;
- provide the University with specific information including:
  - » your current passport and visa to copy
  - » your BRP to copy if one has

been issued to you by UKVI

- » updates on your current address, email and telephone numbers
- » updates on any other changes eg an extension to your visa

- attend all of your classes and immediately inform your college if you will need to be absent for any reason, even if you will only miss one class.

## Our responsibilities

Any education institution in the UK that wishes to admit students from outside the EEA or Switzerland must hold a licence from the Home Office. The University of Exeter is a licensed Tier 4 (General) sponsor.

Our responsibilities include:

- ensuring that all our students have immigration permission which allows them to study with us;
- keeping a record of:
  - » your current passport and visa;
  - » your BRP card if one has been issued to you;
  - » your current address, telephone number and other contact details.
- monitoring your attendance at the University;
- reporting to the Home Office if you change your programme or if you leave the University.
- withdrawing immigration sponsorship if you leave the

University or interrupt your studies for more than two months.

You can find more detailed information on all of the above in the 'Complying with your Tier 4 Visa' section at [www.exeter.ac.uk/immigration](http://www.exeter.ac.uk/immigration)

# Visas and immigration

## CAS

The CAS is a unique reference number given to you by your Tier 4 sponsor and is confirmation of your unconditional offer of a place on a course of study. You may be issued with a CAS by more than one institution but when you use a CAS to apply for a visa, UKVI will expect you to study at that institution.

The terms 'Tier 4 sponsor' or 'education sponsor' are used to describe an education institution in the UK where you are planning to study and you will come across these terms in any immigration information or guidance that is issued by UKVI.

We will send you a CAS information email once you have accepted an unconditional offer. You must check the information in this email which will include your personal and course information required by UKVI. You will need to follow the instructions in the email to confirm that the information is correct or make any changes. A 'CAS statement' will then be emailed to you with your CAS number. Your CAS statement will be sent by email, from **tier4casteam@exeter.ac.uk**

Please note that a CAS is only valid for six months and that it is not possible to apply for a Tier 4 visa until three months before the start of your course.

## Immigration Health Surcharge (IHS)

All non EEA persons applying for visas to come to the UK for more than 6 months will be required to pay a charge towards the National Health Service (NHS). The payment will go directly into the NHS and applicants will be entitled to receive the same healthcare services as permanent UK residents.

You will have to pay the charge as part of the visa application process when you apply either at home or when you extend your current Tier 4 visas in the UK. The charge is calculated at a rate of £150 per year for the duration of a visa. Where part of a year is six months or less £75 is charged.

## Supporting documents

You must submit the following documents along with your original passport, passport photos and the relevant application fee when you are making your Tier 4 application. Documents not in English must be accompanied by an official translation which meets UKVI's translation rules.

## Qualifications

Your CAS Statement from the University will include a list of the academic and English language qualifications that were used to assess your application for a place at Exeter. You must submit original certificates or transcripts for each of the qualifications listed on your CAS.

## ATAS

Some postgraduate courses in scientific areas require students to hold an ATAS certificate. If this applies to you it will say so on your offer letter. A paragraph describing your research should be included in your offer letter and you will need this exact paragraph when submitting your ATAS application. You must receive ATAS clearance before you can be issued with the CAS for your visa application and the process can take four weeks so you should submit your application as soon as possible. This process is free and submitted online at **[www.gov.uk/academic-technology-approval-scheme](http://www.gov.uk/academic-technology-approval-scheme)**

## Finances

All students applying for Tier 4 visas are required to show that they have access to the following funds:

- total tuition fees for the academic year PLUS;
- £9,135 for your living expenses.

For most students, this total amount of funds MUST be in a personal bank account for at least 28 days immediately before the application and the balance must never drop below the required amount throughout that period. Officially sponsored students can show their funds in the form of a letter from their official sponsor but only certain types of sponsorship qualify to be shown in this way. The financial documentation requirements are very strict and only certain documents will be accepted so you will need to read the relevant section of our website in detail before applying:

**[www.exeter.ac.uk/immigration](http://www.exeter.ac.uk/immigration)**

# Visas and immigration

## Submitting your visa application

### Already in the UK

If you are already in the UK with immigration permission or as a Tier 4 student, you will need to apply for an extension to continue your studies. The current fee to apply within the UK is £457. You will pay the same fee for each dependant.

If there is more than one month between the date your visa expires and the date you are due to start your course at Exeter, you will need to return home to apply for your Tier 4 (General) student entry clearance. You may wish to do this anyway if you have enough time. If there is less than one month between the date your visa expires and the date you start your new course, or your visa continues past the start date of your new course, you should be able to apply for your visa extension in the UK. Note that usually you must submit a new Tier 4 application before you are allowed to register at Exeter.

We strongly recommend that all students applying for visas from within the UK, but particularly those switching institutions, apply for their visa extensions through the International Student Support Office. This free service checks and advises on applications and is undertaken by qualified immigration advisers. If you submit your application independently, it may make it much more difficult for you to register.

In these cases, you should contact the International Student Support Office at [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or

[info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk) for Cornwall based students as early as possible to discuss the details of your visa application and arrange an appointment to submit your application if appropriate.

### Outside the UK

#### Courses lasting less than six months

Some students on courses of less than six months may wish to apply for a short-term student visa. This is a maximum six month visa and it cannot be extended from within the UK. Working is prohibited but students can study part-time or at a low level. Students on a course of less than six months cannot bring dependants to the UK with them.

This category is only suitable for certain study abroad students or those on short-term English courses who do not wish to continue their studies past six months. We strongly discourage any other students who qualify for the Tier 4 (General) student visa from applying for a short-term student visa.

#### Courses lasting six months or more

If you are planning to study at Exeter on a course lasting more than six months you must apply for immigration permission under Tier 4 (General) before you leave home.

#### Applying for Tier 4 (General) outside the UK

The UK government website [www.gov.uk/apply-uk-visa](http://www.gov.uk/apply-uk-visa) will take you through the process of applying for a visa from your home country. You will usually need to complete an online application form and pay the visa application fee

(currently £335 in local currency). You will then need to submit your supporting documents (by post or in person depending on the country) and enrol your biometric information, which includes your fingerprints and a digital photograph at a British Embassy/Consulate/High Commission or a visa application centre. In some countries additional documentation will be required, such as a tuberculosis test certificate.

At the same time, you may be asked to complete a **credibility interview**. This will usually take place in the visa application centre via a video-conference link. It is a short interview that aims to test that you are a genuine student. You will be expected to have a good understanding of the course you are planning to study and the university that you are going to study at. You may also be asked about your qualifications, your finances, and any plans to work in the UK (remember that you can only work 20 hours per week on a Tier 4 visa and that you cannot solely support yourself by working in the UK). Try not to be nervous, but do ensure that you prepare in advance so that you are confident discussing your proposed course and plans in English. If you have any problems following the credibility interview, please contact the University immediately at [tier4casteam@exeter.ac.uk](mailto:tier4casteam@exeter.ac.uk) and we will do our best to help.

Based on your intended travel date you will receive a short one month visa to allow you to travel to the UK and to collect your Biometric Resident Permit (BRP card) which will cover you for the duration of your programme.

# Visas and immigration

## 30 day vignette and Biometric Residence Permit (BRP)

Based on the intended travel date declared on your application form, you will receive a one month visa in the form of a sticker in your passport called a 'vignette'. This allows you to travel to the UK, where you will need to collect your full visa in the form of a Biometric Residence Permit (BRP) (see page 13). You should collect your BRP from the University, so ensure that you input our collection code on your visa application form as explained here: [www.exeter.ac.uk/immigration/brp](http://www.exeter.ac.uk/immigration/brp)

You should be allowed to come to the UK one month before the start of your degree course.

**Do not enter the UK as a general or a business visitor – it is illegal to study in one of these categories and you will not be allowed to start your course at the University of Exeter.**

## Refusals

If your Tier 4 application is refused, first of all don't panic! Read carefully through the refusal notice that you are given – this sets out the reasons for the refusal. If UKVI is mistaken in their refusal, it may be possible to request an administrative review of the decision but we strongly recommend that you do not do so until you have consulted with the International Student Support Office. It will often be better to submit a new application, fixing the perceived problem, but please note that you will require a new CAS to do this. To receive advice on your

next steps and to request your new CAS, you will need to scan and email your refusal notice to [tier4casteam@exeter.ac.uk](mailto:tier4casteam@exeter.ac.uk)

## Students with families

If your spouse and/or dependant children are EEA/Swiss citizens then they do not have to apply for immigration permission before travelling to the UK.

Non-EEA students coming to the UK on a postgraduate course of more than 12 months, or those sponsored by their national government on a course of six months or more, can apply to bring a spouse or civil partner and any children under 18 as their dependants. Each family member needs to apply for immigration permission as a PBS dependant before travelling to the UK. You should all apply at the same time, even if you are planning to travel separately.

The application fee per PBS dependant is £335 paid in local currency and you will need to show maintenance funds available for each dependant. Each dependant must complete an online application form. Your family will be granted the same length of leave as you have.

In addition to the funds that you are required to show for your visa application (see above), you will need to show at least £6,120 per dependant in your bank account, or the bank account of the dependant, for at least 28 days prior to the application. If you are officially sponsored (usually by a government), you do not need to show this money in a bank account

as long as your sponsor letter specifically states that all dependant family members are also provided for by your sponsorship.

If your family intend to apply for their visas at a later time, we suggest that you seek advice from the International Student Support Office [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk). Detailed information about dependant visa applications is included within the Tier 4 guide on our website: [www.exeter.ac.uk/immigration](http://www.exeter.ac.uk/immigration)

If you are planning to bring dependant children under 18 to the UK, both parents must be present in the UK unless there are strong extenuating circumstances. UKVI usually applies a very strict interpretation of these extenuating circumstances and it will not normally be permissible, for example, for one parent to bring the children with them to the UK during their studies while the other parent remains in their home country to work. This is a sensitive area and if you are affected by this rule, please email [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or [info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk) for Cornwall based students, to discuss with one of our International Student Advisers.

## Working regulations

Non-EEA international students on degree-level courses can usually work part-time for a maximum of 20 hours per week during term-time and unlimited hours during vacations. It is important that you do not let your studies suffer. In reality most postgraduates find that seven to eight hours per week is the most they can do.

# Visas and immigration

Most EEA nationals can immediately work unrestricted hours in the UK. However, Croatian nationals are also subject to the above working restrictions and must apply for a Yellow Registration Certificate before they can work.

Most dependants of non-EEA students on degree-level courses will be given permission to work full-time in the UK. If your dependants are not allowed to work, this will be stated on their visa. If your family are EEA nationals or in the UK on an EEA Family Permit, they should be allowed to work without restriction.

For further information on working in the UK see [www.ukcisa.org.uk](http://www.ukcisa.org.uk)

## Arriving in the UK

If you have been granted Tier 4 immigration permission, you should have no problems coming through immigration control when you arrive in the UK. We recommend that you carry a copy of your CAS Statement or offer letter in your hand luggage, and evidence of your finances such as a bank statement as these may be requested by an immigration officer.

The immigration officer will date stamp your passport to confirm that you meet all the immigration requirements to study in the UK.

During busy periods it can take as long as three hours to clear immigration control.

If you experience problems at immigration control, contact the International Student Support Office via the University emergency number +44 (0)1392 723999.

## Biometric Residence Permit collection

You must collect your Biometric Residence Permit (BRP) card within 10 days of your arrival in the UK. Remember that in order to collect your BRP from the University on arrival, you need to have put the University's collection code on your visa application form. The University will also need to check your BRP and ensure that a copy of it is stored in our student records system. Your welcome emails will explain where to go to collect your BRP and how to have it checked prior to registration.

Your BRP card is your visa and covers the entire length of your course. Remember to keep it safe as you would your passport. If it is lost or stolen, replacing it takes time and money!

## Registration with the Police

Once you have been admitted to the UK, nationals of some countries are required to register with the police. Your visa stamp, BRP or grant letter will say if you have to register.

If it says nothing in this respect, then you do not need to register with the police. If you are required to do so, you must register with the police within seven days of your arrival in the UK. Information on how to do this can be found at [www.exeter.ac.uk/internationalstudents/uklife/policeregistration](http://www.exeter.ac.uk/internationalstudents/uklife/policeregistration)

If you are arriving during Freshers' Week there are special arrangements for you to register on campus during the week. The registration currently costs £34 (in cash) for each person aged over 16. You must provide your passport, two identical passport sized photographs and an original letter from the University confirming your student status, known as a 'Student Status Letter'. You can request this from the Student Information Desks (SID) at both Exeter and Penryn or request it through SID online. It is your responsibility to inform the police within seven days if you:

- change your UK address;
- extend or change your immigration permission;
- change your place of study

## Bank accounts

There is no limit on the amount of money you can bring with you into Britain, but you may need the approval of exchange control in your own country. Start preparing well in advance by asking advice from your bank at home. If you are carrying €10,000 (or equivalent currency) in cash to the UK and you are travelling from outside the European Union you must complete a cash declaration form. More information is available from the HMRC C9011 form at [www.hmrc.gov.uk](http://www.hmrc.gov.uk)

There are different types of bank accounts available in the UK. Most students choose a current account. This is the basic account which you use for day-to-day purchases and deposits. This type of account normally comes with a cash card, with which you can take money from cashpoints (ATMs) up to a daily maximum limit. Cashpoints are usually accessible 24-hours a day and located on the exterior walls of banks and in some shops. Some cash machines charge a fee but they will tell you this before completing the transaction.

## Opening a bank account

Some worldwide banks allow you to open up a UK bank account from abroad, but many students wait until they get to the UK to open an account so they can see which is the best deal for them. We recommend that you open a bank account as soon as you get to the UK. There are two major banks represented on the Streatham Campus and all major banks are represented in Exeter and Falmouth town centres.

It can take up to two weeks to open a bank account. You should therefore make sure that you bring enough money to cover your expenses for the first few weeks in the UK. You might consider bringing travellers cheques, a cash card or credit card with you. Please do not carry large amounts of cash with you or keep large amounts of cash in your room.

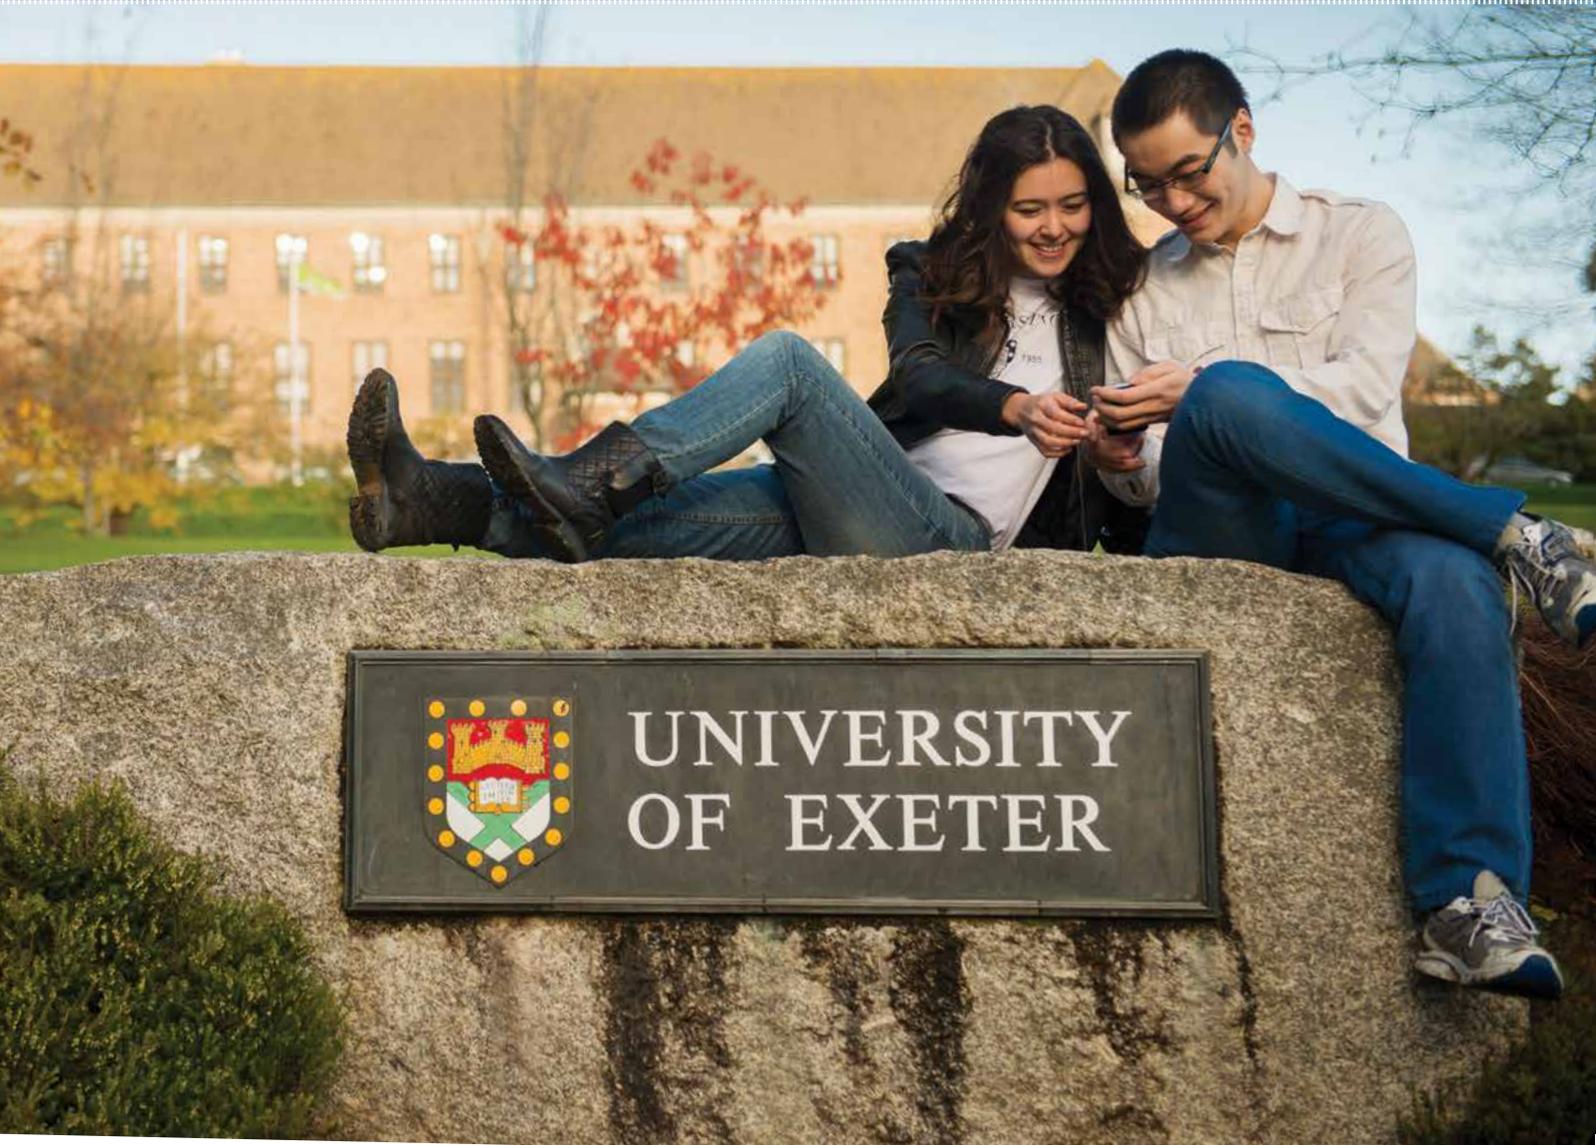

To open an account in the UK you will need:

- an application form from your preferred bank;
- your passport;
- confirmation that you are a full-time student. Request a bank letter from the Student Information Desk in the Forum at Streatham Campus, or from the Peter Lanyon Building at the Penryn Campus;
- proof of your address in the UK. This may be confirmed by the University if you have University accommodation or by a formal tenancy agreement if you are in private accommodation.

It is not always possible for students on short courses or exchange programmes to open bank accounts. If you have difficulty please contact [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or [info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk)

Once you have successfully opened a UK bank account, please ensure you provide the account details via the student online portal 'ExeHub' [i.exeter.ac.uk](http://i.exeter.ac.uk)

# University fees and charges

## Tuition and accommodation fees – due dates

Term	Tuition Fees	Accommodation Fees
Autumn (Term 1)	50% due 9 October 2017*	The amount stated in your accommodation contract due 9 October 2017
Spring (Term 2)	50% due 15 January 2018*	The amount stated in your accommodation contract due 15 January 2018
Summer (Term 3)	N/A	The amount stated in your accommodation contract due 7 May 2018

\* If the assessed contribution to tuition fees is less than £500 and/or modular, the full amount is payable.

# University fees and charges

- Tuition fees are chargeable for the academic period required by the programme, with annual amounts charged for each academic year of the programme unless otherwise stated. It is to be expected that tuition fees will rise by a modest amount (but no more than 3%) each year, for the duration of study. This is to take into account inflationary pressures.
- Tuition fees can be found at [www.exeter.ac.uk/students/finance/studentfees/tuitionfees](http://www.exeter.ac.uk/students/finance/studentfees/tuitionfees)
- If you are sponsored by an embassy or government, please ensure you provide the Accounts Receivable Team with a financial guarantee. Please email a scanned copy to [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or provide it during registration.
- You must also make sure your sponsor pays by the due date or you will be liable for late fees. If your sponsor fails to pay, you will be responsible for any fees due.
- University accommodation charges will vary according to the type of accommodation and duration of your contract. See [www.exeter.ac.uk/accommodation](http://www.exeter.ac.uk/accommodation) for further information.
- We recommend that single unaccompanied students allow at least £800 per month for essential living expenses (accommodation, food, books, etc).

## How to pay

There are various payment methods available, for more information please refer to the following web page [www.exeter.ac.uk/students/finance/howtopay](http://www.exeter.ac.uk/students/finance/howtopay)

## Other funding/ sponsorship

If you require sponsorship, you will need to apply to an organisation such as the British Council in your home country; applications for sponsorship cannot be made to the British Council, which is in the UK. The University also has a number of scholarships available. For further details see [www.exeter.ac.uk/studying/finance/studentfunding](http://www.exeter.ac.uk/studying/finance/studentfunding)

For more information on student funding please visit [www.exeter.ac.uk/students/finance/studentfunding/internationalstudents](http://www.exeter.ac.uk/students/finance/studentfunding/internationalstudents)

## Financial aid for US students

- The University of Exeter participates in the William D Ford Direct Loan Program. The Direct Loan consists of both the Stafford and Plus loan and can provide funding up to your cost of attendance.
- You will need to complete your Free Application for Federal Student Aid (FAFSA). This can be submitted and completed at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Please email [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) once this has been completed.
- You will also need to complete

your Master Promissory Note (MPN). If you are also taking a Direct Plus loan you will need to complete a Plus Master promissory note and complete a credit check. Please visit [www.studentloans.gov](http://www.studentloans.gov)

- Please also complete and return the Direct Loan student information and email it to [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk).
- Our school code (also known as the OPE ID) is G009442.
- All information on financial aid for US students can be found at [www.exeter.ac.uk/students/finance/studentfunding/internationalstudents/usstudents](http://www.exeter.ac.uk/students/finance/studentfunding/internationalstudents/usstudents)

# Budgeting for life in the UK

Living in Exeter or Falmouth is comparable to living in any other major UK city and your cost of living will depend a great deal on your lifestyle. It is estimated that a single student living in Exeter or Cornwall will need approximately £1,015 a month to meet basic living expenses such as accommodation costs, food, books, equipment and other necessities.

The information below should help you begin to plan your finances for living in the UK. Another easy way to understand whether you have budgeted enough is to visit the international student calculator [www.studentcalculator.org.uk/international](http://www.studentcalculator.org.uk/international)

## How much do things cost?

If you do not live in catered halls, the cost of food based on a western-style breakfast, light midday meal and hot evening meal is likely to be £35-£45 per week. There are many outlets for buying food on campus and a hot meal ranges from £4.00-£7.00.

Food prices are very different depending on where you shop and what products you buy. Supermarkets often have 'own-label' brands which are cheaper than more recognised brands. You could also explore local markets or bulk buying.

Basic goods	Approximate costs in £
Loaf of white bread	£1.00
1 litre of semi-skimmed milk	£0.75-£1.00
6 medium eggs	£1.50
Margarine (500g)	£1.00-£1.80
Cheese (250g)	£1.99
Cooking oil (1 ltr)	£1.60
Pasta – uncooked spaghetti (500g)	£1.00
Rice (1 kg)	£1.50
Noodles (300g)	£1.40
Drinks	
Cola (2ltr)	£1.50-£1.98
Coffee – instant (100g)	£2.50
Tea bags (80 bags)	£2.00
Mineral water (2ltr)	£0.84

## Food from overseas

British shops and larger supermarkets stock a wide range of products including food imported from other countries and food meeting religious requirements, for example, Halal. There are also many local ethnic stores where you can find food you are used to eating at home. Please note, however; prices are often much higher than at home.

## Heating and lighting

If you choose to live in private rented accommodation, the cost of heating may not be included in your rent. If you are not used to cold or damp weather, you may need to keep the heating on for eight months of the year and this may add significantly to your bills. Allow a minimum of £450 for the year. Heating and lighting is included in the cost of University accommodation.

# Budgeting for life in the UK

## Books and equipment

The cost of books varies for different courses and continues to rise; the average figure for one year is £440.

You are strongly advised to check with your college if there are any extra costs anticipated. Second-hand books can be bought on campus and from outlets run by the Students' Guild and similar schemes run at the Penryn Campus.

There are many public computers available to use on campus, but most students choose to bring their own personal computer. If you are not in University accommodation you may be charged extra for internet connection in your room.

## Warm clothing

The price of clothes varies enormously and how much you spend will depend on your budget. Shops such as Primark, TK Maxx, H&M and some large supermarkets have very inexpensive clothing lines. The average figure for warm clothes, for one year, is £500. Please see our 'what to pack' section for more information.

## Visa fees

Should you need to renew your visa whilst you are in the UK, you will have to include the application fee (currently £457 and £457 per dependant – more if you go to the Home Office in person). You and any dependants will also have to attend a biometrics appointment.

## Other costs

To cover such items as laundrette and dry-cleaning, personal hygiene items and household articles, you will need approximately £360 for the year.

## Entertainment

You will also need some money to follow interests beyond your academic studies. Even the most dedicated students need time to relax and unwind! Here is an idea of how much it might cost you:

	Costs £
Daily newspaper	£0.80-£2.00
Paperback books	£7.00+
Magazine	£2.50+
Cup of coffee	£1.40-£3.00
Cup of tea	£1.00+
Non-alcoholic drink	£1.20+
Glass of wine	£3.50+
Pack of cigarettes (20)	£8.00+
Cinema ticket	£6+

The cost of an evening out will vary. There are a wide range of places and prices in Exeter, Falmouth and their surrounding areas and many offer a student discount. For example, if you go clubbing at the weekend expect to pay between £5-£10 for entry, or pay £8 for an inexpensive lunch.

## Travel

Travelling around the UK can be expensive if you don't plan ahead. There are student discount cards you can buy for national rail and bus networks and these are worth purchasing in if you will use these services. For example, a single rail ticket bought on the day of travel from Exeter to London could cost £50, but if you book in advance and with a student card it could cost around £30. Megabus and National Express offer cheaper alternatives. Low cost airline carriers operate from Exeter, Bristol and Newquay airports and are worth considering if you are looking for a closer alternative to Heathrow.

Check what is available in your room	✓
Order 'starter pack' if necessary	✓

## Accommodation guarantee: Exeter campuses

With over 5,500 bed spaces at Exeter, we are able to offer accommodation in University/ approved/managed accommodation to many of our students. We have a wide range of accommodation styles, standards and budgets, designed to suit the different needs of the diverse student community at both undergraduate and postgraduate level.

If you apply by 31 July, we guarantee to offer you accommodation, if you have firmly accepted our offer of a place on a degree programme at the University of Exeter and you are in your first year of study.

Applications for 2017-18 will open from 10 April 2017 and we will prioritise applications received by 31 July. On receipt of an offer of accommodation from us, you will need to pay a deposit of £300 to secure the room.

## What accommodation can I apply for?

- Undergraduate students can apply for catered halls or self-catered accommodation (Exeter only).
- International postgraduate students can apply for self-catered accommodation.
- Study Abroad and Exchange students can apply for self-catered accommodation at Exeter, if you are studying for a full year starting in September.
- If you are only in Exeter for one semester please visit the accommodation website for availability.
- You are defined as an 'international' student if you pay international fees (see your academic offer).
- Have a look at the accommodation website [www.exeter.ac.uk/accommodation](http://www.exeter.ac.uk/accommodation) it is very comprehensive with full descriptions of residences, galleries, location maps, sample contracts and prices.

Virtual tours and panoramic views of examples of our accommodation can be seen at [www.exeter.ac.uk/virtualtours](http://www.exeter.ac.uk/virtualtours)

Our residences offer accommodation to both home and international students allowing you to live in a multicultural setting. However, one of our residences does have a block dedicated for international students if you would prefer. We also aim to offer, as best as we can, single sex flats as well as

accommodation living with students who have a quieter lifestyle.

There is a useful list of answers to frequently asked questions at [www.exeter.ac.uk/accommodation/faq](http://www.exeter.ac.uk/accommodation/faq)

## Self-catered accommodation

There is a variety of self-catered accommodation including; en-suite, standard and self-contained studio rooms.

Flats and houses are shared between three and twelve students, who have their own study bedroom and share communal facilities (bathroom/shower and toilet facilities depend on whether the room is ensuite or not). Each flat has a kitchen, which contains: cooker with oven, hob and grill, microwave oven, refrigerator and freezer, and some have a communal dining area or lounge. The study bedrooms vary in size and are furnished with a bed, wardrobe, bookshelves, desk and chair and lamp or fixed lighting. You can find more details of facilities in our residences at [www.exeter.ac.uk/accommodation](http://www.exeter.ac.uk/accommodation)

Alternatively, studio rooms provide an open-plan living space with en-suite facilities and a small kitchenette, so that all your requirements are self-contained in your room.

- All rooms have high speed wired and wireless internet from which this is included in the weekly rent. You will need to bring your own bedding (duvet, sheets, pillow etc).

# Accommodation at our Exeter campuses

Self-catered accommodation is let for 40, 42, 44 or 51 weeks per year and you will be expected to remain in your accommodation for the full period as stated in your contract.

## Catered halls

Catered halls are only available to undergraduate students. They are located on Streatham Campus and there are standard or ensuite rooms available.

A meal plan is included in the rent and it offers 16 meals comprising of: breakfast and an evening meal, Monday to Friday; and continental breakfast, brunch and an evening meal on Saturday and Sunday.

Catered accommodation is let for 32 weeks – based around our term dates and you will be expected to vacate your room over the Christmas and Easter period.

## Students with a disability

We are committed to promoting equality of opportunity and have adapted rooms in most of our residences.

If you have special accommodation requirements you should specify these when you making your online application. The Accommodation Office will take this into consideration when allocating your room.

Our dedicated AccessAbility team will be happy to discuss your requirements, in order to find or adapt accommodation that will be suitable for you.

## What to bring

What is available in your flat or room varies from residence to

residence. Please check at [www.exeter.ac.uk/accommodation](http://www.exeter.ac.uk/accommodation) what will be provided.

You can order starter packs of bedding or useful kitchen items. Detailed information can be found at: [www.exeter.ac.uk/accommodation/students/currentstudents/internationalstudents](http://www.exeter.ac.uk/accommodation/students/currentstudents/internationalstudents) If you order a starter pack in advance this will be provided on your arrival. Don't forget, you can also purchase many reasonably priced items in Exeter and Falmouth.

## Terms of contract

Fees are inclusive of all utilities, so there is nothing extra to pay for heating, lighting or water and, as an added bonus, personal effects insurance cover and WiFi are also included. Fees are due on the first Monday of each term. Full details will be sent with your accommodation agreement.

Accommodation fees are broken down into three terms: Autumn, Spring and Summer. Fees are on the first Monday of each term and a late fee will be levied automatically if they are not paid on time. If you prefer, you can pay for all your accommodation in one payment at the beginning of the academic year.

You will be expected to honour your contract for the full period as stated. Your only right to cancel is explained in our cancellation policy. ([www.exeter.ac.uk/accommodation/students/prospectivestudents/termsandconditions](http://www.exeter.ac.uk/accommodation/students/prospectivestudents/termsandconditions))

If you fail to notify us within the five day period you can only terminate the accommodation agreement in accordance with the procedure set out in the accommodation agreement.

## Application process

If you are a postgraduate student you can apply for accommodation after you have firmly accepted your academic offer at Exeter and after your tuition deposit has been processed. To be guaranteed accommodation, you must apply by 31 July 2017. Upon receipt of your application you will receive a confirmation email. An accommodation offer and instructions of how to pay the deposit will be sent from late April onwards. The Accommodation Office will not be able to confirm your exact room until your arrival.

## Private sector accommodation

A number of students, especially those with families, prefer to live in private rented accommodation close to the University. Please note that this can take time to arrange and it may be difficult to find a suitable place directly from overseas. Landlords often require references and a substantial deposit.

You can view further information and support available with renting private accommodation at [www.exeter.ac.uk/accommodation](http://www.exeter.ac.uk/accommodation)

The Guild Advice Unit in The Forum offers a private accommodation contract-checking service. We strongly encourage to take advantage of this before signing a contract.

Please note that the University will not be involved in the vetting of private accommodation and contracts are signed at the student's own risk.

# Accommodation at our Penryn Campus

## Accommodation guarantee: Penryn campus

We are able to guarantee an offer of accommodation in university owned, managed or approved residences as long as applications are received between 5 April and 31 July 2017. You will need to have accepted an offer to study with the University of Exeter in order to apply for halls. Accommodation is available to the below students:

- International undergraduate and postgraduate students entering into year one
- Incoming study abroad or Erasmus students based at the Penryn Campus for a single semester or the full academic year

## Our Accommodation

Our accommodation at Glasney Student Village, Tremough Barton Cottages and The Sidings is located on, or just a short walk, from the Penryn Campus. They are divided into self-catered flats, each with between four-to- seven bedrooms. The communal kitchen/dining areas are fully fitted and furnished to include a dining table, chairs and television, as well as fridge/freezers, a microwave, toaster and kettle.

The majority of our accommodation is en-suite and all of our options are self-catered, but there are food outlets available serving breakfast and lunch Monday-Friday. You can purchase discounted meal vouchers in advance to help you budget throughout the term.

Halls are accessed via secure entry systems and there is CCTV in operation at most sites. Support is available 24/7, either via the Site Office and Accommodation Office during normal working hours, or, overnight, there is an out-of-hours support team who visit each residence through regular patrols; they can also be contacted by phone.

Utility bills are included within some of our halls. In other residences, bills within a given quota are covered and you'll need to 'top up' if you go over this. Support is provided by Site Managers to make you aware of your electricity usage.

Internet is provided free of charge and in some halls there is the option to pay extra for increased provision.

## Increased Options

In addition to the options mentioned, we are also offering the opportunity to apply for other university owned, managed, or approved halls in Penryn, Falmouth and Truro. These options are predominantly allocated to Falmouth University students but are also available to University of Exeter students. These options offer a more diverse range of housing to choose from, including studio accommodation and unique converted warehouse accommodation. Price range varies depending on the room type (ensuite, studio or standard), as well as the size of the room. Further information can be found in the "Residences" section on our website [www.fxplus.ac.uk/live](http://www.fxplus.ac.uk/live).

## Room types

**En-suite:** Rooms are single occupancy with double or single bed, desk and en-suite shower and toilet facilities. There is access to shared kitchen/dining facilities and some residences have a communal lounge area with sofas.

**Standard:** Flats in standard accommodation have shared toilet and shower facilities. There is also a communal kitchen/dining area and some have a lounge area too. There are between two and seven students per flat, each with their own study bedroom.

**Single:** Rooms are smaller in size with a single bed. There is access to shared kitchen/ dining facilities and shared toilet and bathroom facilities.

**Shared rooms:** We have two types of shared room available in Glasney Student Village; both are en-suite and are a lower cost alternative to single occupancy rooms. Our shared accommodation at Tremough Barton Cottages is not en-suite.

- Our studybed rooms accommodate two students offering two single beds, which rotate into a large desk area; there is no need to clear the desk before rotating back to a bed. There are additional shelves/cupboards and wardrobes in these rooms. Studybed rooms can also be allocated as single occupancy.
- Providing a cheaper option, we also have a number of shared rooms with bunk beds. There is extra storage available under the bed and the desk provides space for two students.

# Accommodation at our Penryn Campus

**Studio:** Each studio apartment is self-contained with en-suite and kitchenette.

**Accessible rooms:** We have a number of rooms that are suitable for students with a range of disabilities; please discuss individual needs with Accommodation Services.

## **Contracts and costs:**

Self-catered – single occupancy; 42 weeks £4139 – £6964

Self-catered – shared occupancy; 42 weeks £3310 – £3998

## **Applications**

Applications submitted by the deadline of 31 July 2017 are prioritised; however, we are not able to guarantee that you will be allocated your preferred accommodation. During periods of high demand, we enter into agreements with approved accommodation providers in the local area in order to increase the availability of university owned, managed or approved accommodation. If your preferred choice is not available, we will offer you an alternative from our accommodation options.

## **Private sector accommodation**

If you decide not to live on campus, the Penryn Campus Accommodation Office provide support in finding private rented accommodation off-campus, and manage an online accommodation list of local rooms and properties. We also organise annual house-hunting sessions and accommodation fairs during the spring and summer.

Local rents are typically £80 - £100 per week for a room in shared accommodation, excluding utility bills.

For all accommodation enquiries in Cornwall, please contact the Penryn Campus Accommodation Office:

## Childcare for pre-school children

If your children are young, you will probably have to look after them yourselves as domestic help is hard to find and is very expensive.

There are private day nurseries which take children under school age but many have waiting lists and the costs are high. The Devon Information on Services for Children website has details of playgroups, nurseries, childminders and out of school clubs.

See [www.devon.gov.uk/disc](http://www.devon.gov.uk/disc) and use the search facility.

For information on childcare services in Cornwall visit [www.cornwallfisdirectory.org.uk](http://www.cornwallfisdirectory.org.uk) and follow the links to the South West.

## The University Family Centre

On the Streatham Campus in Exeter the centre is run by qualified staff and takes children from six weeks to five years of age. You should apply well in advance as demand is very high and places are limited.

Email: [familycentre@exeter.ac.uk](mailto:familycentre@exeter.ac.uk)  
Tel: +44 (0)1392 264416  
[www.exeter.ac.uk/staff/stafflife/childcare/family](http://www.exeter.ac.uk/staff/stafflife/childcare/family)

## Penryn Campus Nursery

On the Penryn Campus, a purpose-built 54 place nursery opened in September 2016, for babies and children between 0-5 years. There will be three age group rooms, each with outdoor play and learning areas, enabling you to study with peace of mind. There are plans to offer after school and holiday clubs in the future.

Parents and carers who are interested in putting their child on a waiting list can contact: [nursery@fxplus.ac.uk](mailto:nursery@fxplus.ac.uk) or call: 01326 213765.

## Schools

If your children are between five and 16 years old, the Local Education Authority (LEA) has a duty to provide a place for them in a local school.

The LEA will not allocate your child a school place until you have arrived in the UK and also have a confirmed permanent address. Please note that the school place you are offered may not necessarily be at the school closest to where you live.

Schools terms in the UK start at the beginning of September. You may be arriving later than that. The LEA will still provide you with a school place.

Some schools may have a school uniform; others may have a liberal dress code. Discipline is maintained through an agreed behaviour code within the individual school and there is no corporal punishment in state schools. To help your child settle into the school, it would be helpful if you brought a recent teacher's report and some samples of work. You might also like to bring some reading books in your language and a dual dictionary (eg Korean/English) suitable for your child to use in school. Please be aware that schools in Exeter have few specially trained language assistants.

You will need to contact the local authority for where you live to apply for a school place as you will be applying outside of the standard admissions time.

You can also find provision for Cornwall based student provided

by FXU here: [www.fxu.org.uk/advice\\_welfare/studentparents](http://www.fxu.org.uk/advice_welfare/studentparents).

For Devon see [www.devon.gov.uk/index/learningschools/admissions\\_transfers](http://www.devon.gov.uk/index/learningschools/admissions_transfers) For Cornwall see [www.cornwall.gov.uk/education-and-learning/schools-and-colleges/school-admissions](http://www.cornwall.gov.uk/education-and-learning/schools-and-colleges/school-admissions)

The Students' Guild is very keen to support students with families during their time at Exeter. This support would include advice and information, as well as events for student parents to meet with other students with families. The Advice Unit has established a register of such students to look at suitable events and other activities that will support both students and their families to settle in the local community. If you would be interested in being involved in these activities please see [www.exeterguild.org/advice/05-studentparents](http://www.exeterguild.org/advice/05-studentparents) or contact our Student Parent Liaison Officer. Email: [studentparents@exeterguild.com](mailto:studentparents@exeterguild.com)

## Accommodation for families and couples

Places are limited in University-owned accommodation for students with partners and/or with children. A high proportion of new students who are accompanied with others have to seek private accommodation, which may take more time to find. In this instance the University cannot guarantee accommodation or accept any responsibility for housing couples, students with families or single parent families. We would suggest that if you have not secured accommodation before departure, that you come alone first and your partner or family follow once you have found suitable accommodation.

# Students with families

Please be aware that if you accept a single room in University accommodation you will have to make payments for the entire contract period even if you would like to move out to find suitable family accommodation outside of the University later. Similarly, students who leave private accommodation early may find themselves responsible for full payment until the end of their contract. The Students' Guild Advice Unit and FXU Advice Unit can check your private accommodation contract before you sign it.

Please refer to the section entitled 'Private Sector Accommodation' in the accommodation section of this handbook.

## Language classes for spouses, partners and families

We offer free language classes in Exeter for partners of students registered at the University. The aims of the classes are both educational and social: with the emphasis placed on developing fluency in spoken English and acquiring the language skills necessary for day-to-day living in the UK. The classes also act as a social focus and are a means of meeting other families, sharing experiences and providing support. Teaching is informal and very flexible, depending on the needs and ability levels of the groups.

Two classes per week take place during term time in our INTO Centre for students in Exeter.

To find out more information on the classes please contact:

**[j.o.straker@exeter.ac.uk](mailto:j.o.straker@exeter.ac.uk)**

There are other free English classes in Exeter and the International Student Support Office can give you details.

Students and their families based in Cornwall can see the full range of programmes here: **<http://languages.fxplus.ac.uk/>**

## Insessional English language support

The Insessional English Programme provides a range of support for international students, including workshops in English for academic purposes, one-to-one writing tutorials, and opportunities for independent study. There are also general English classes, which provide an excellent forum for

speaking practice and learning about British culture.

Full information can be found at:

Contact the Student Health Centre if you have a pre existing medical condition	✓
Register with a Medical Centre on arrival	✓

## Registration with a Medical Doctor

If you are on a course lasting for six months or more, you, and dependant members of your family, can get most healthcare services free of charge under the National Health Service (NHS). However, a one-off NHS 'Health Charge' may be payable at the time of application for a Tier 4 or PBS Dependant visa. This cost will vary depending on the length of your stay in the UK.

You will need to register at a Health Centre with a doctor, also called a GP (General Practitioner). All students should refer to [www.exeter.ac.uk/shc](http://www.exeter.ac.uk/shc) and follow 'How to use us' and International Students. Here you will find instructions on how to register with the Student Health Centre on Streatham Campus; the Heavitree Health Centre for students based at St Luke's see [www.theheavitreepractice.co.uk](http://www.theheavitreepractice.co.uk); and the Penryn Surgery for students based in Cornwall: [www.penrynsurgery.co.uk](http://www.penrynsurgery.co.uk)

Please check [www.exeter.ac.uk/shc](http://www.exeter.ac.uk/shc) to find out whether your country of residence is one of those from which students are required to complete a TB (Tuberculosis) screening form.

If you are here for less than six months, and are from a country with a reciprocal agreement, you can be seen for treatment for things which cannot wait until you get home – further details are on [the website](#). If you are an EEA or Swiss national student, you should bring an EHIC card from your own national health authority.

Once you have registered at a health centre, you will receive your National Health Service number by post a few weeks later. Students from any country are entitled to free immediate necessary health care from a doctor (known as a General Practitioner or GP), at a hospital Accident and Emergency Department or an NHS Walk-in Centre.

If appropriate, a doctor may issue you with a prescription. This is medicine which you would collect from a pharmacy. Prescriptions issued by a doctor incur a charge – £8.40 per item at present. If you need to be on continued medication, you may find it cheaper to get a Prescription Pre-payment Certificate. Your doctor will be able to advise you on this.

## Comprehensive private medical insurance

Comprehensive private medical insurance is essential if you are here for less than six months and are not from a country with a reciprocal agreement. You need to arrange this before you leave your home country. Private medical treatment in the UK is expensive.

# Healthcare and medical insurance

## Medical history

If you have any pre-existing medical condition it would help if you let the Student Health Centre know before you arrive. You can email [studenthealth@exeter.ac.uk](mailto:studenthealth@exeter.ac.uk) or write to the address on the website (stating on which campus you will be studying). We can then prepare for any care you may need whilst here or check that we can get the same or equivalent medicines here. This information would be treated with confidence and would not be disclosed to the University or any other party without your consent. It would not affect your application or entry to your course.

If you are taking any medication please bring enough with you for the first few weeks at University and take the containers/packets to your first doctor's appointment. We can usually obtain the same, equivalent or near equivalent medication but there may be some exceptions.

If you have had a serious medical illness or operation, a brief doctor's letter in English summarising your medical history will help the Health Centre to provide the best medical care.

## Tuberculosis screening

TB screening is required if you are from a country with a high prevalence of tuberculosis; please see <https://www.gov.uk/tb-test-visa>. If you are from a relevant country please print out the form, complete it, checking with your doctor if necessary, and

bring the form with you to hand in with your medical registration form. Further information on the NHS is available at [www.nhs.uk](http://www.nhs.uk)

## Dentists

If you are eligible for NHS treatment you will be eligible for treatment from a dentist accepting NHS patients.

Please note that dentists accepting new patients are extremely limited – hence the need for private insurance.

There are charges for NHS dentist services based on a percentage cost up to a maximum of approximately £219.

## Opticians

Eye tests are available at opticians, which can be found in the High Street. You will have to pay a charge of around £25 for an eye test. You will need to pay for lenses and frames which can cost from £40 to over £350.

# Studying at the University of Exeter

# Studying at the University of Exeter

## Preparing to study

You may not have studied in the UK before. Although you will have to satisfy certain academic requirements to receive an offer we would recommend that you do some pre-arrival research into UK study methods too. There is an excellent web resource [www.prepareforsuccess.org.uk](http://www.prepareforsuccess.org.uk) with interactive modules to give you an insight into study in the UK. Your College may also send you some discipline specific preparatory materials before arrival.

## Study methods

While you are studying at the University of Exeter, you will experience several different methods of teaching and learning. You will be trained to read widely around a topic and research it thoroughly, to reflect on the ideas you have encountered and to analyse and describe them. You may be familiar with some or all of the learning activities described below, each of which serves a valuable purpose.

## Lectures

Lectures are the most traditional form of teaching. They allow lecturers to teach a large number of students (up to 400). Even if notes are provided you should listen carefully and make your own notes of the important points. You may also be directed to online resources associated with the lecture.

<b>Freshers' Week</b>	<b>Monday 18 – Sunday 24 September</b>
<b>Term 1</b>	Monday 25 September – Friday 15 December
<b>Term 2</b>	Monday 8 January – Friday 29 March Exam week 8 – 14 January Term 2 orientation 15 January
<b>Term 3</b>	Monday 29 April – Friday 14 June

## Term dates 2016-17 Seminars and tutorials

Seminars and tutorials are discussion groups with your tutor and a group of students. The discussion could be about a previous lecture or a specific topic. Sometimes each student is asked to prepare a short presentation for discussion. Seminars and tutorials are more informal than lectures but you are expected to prepare for the discussion topic and to participate in that discussion. This is your opportunity to ask questions and to improve your presentation skills. Always tell the tutor if there is something you have not understood.

## Small group work

Most courses provide opportunities for students to work in a small group on a task assigned by the tutor. Group work can be valuable and enjoyable. You will learn from each other and improve your skills.

## Workshop, laboratory, field or studio sessions

If you are going to study a subject with a practical element some of your time will be spent in workshop, laboratory, field or studio sessions where you can develop your skills and expertise through practical work. Afterwards you may have to write up the results and maybe give a presentation on them.

## Computer work

Almost all subjects will require some form of computer work as part of the course. You will be required to type your assignments or maybe undertake computer analysis of data. You may use computers in a classroom or in private study. If you have problems with using a computer to complete your work you should contact your personal tutor, IT support or the AccessAbility Office.

# Studying at the University of Exeter

## Personal and academic tutors

All taught students are allocated a Personal/Academic Tutor. They will meet with you in group tutorials and/or one-to-one meetings. For first year undergraduates, this will be on at least four occasions; for non-first year undergraduates and postgraduate taught students, meetings with Personal/Academic Tutors will take place at least three times per year. The purpose of the meetings is for you to discuss your academic progress and to seek advice and guidance about the range of support services available to you. You can also meet with your Tutor individually if you need to discuss a confidential issue.

## Independent study

British higher education places a large emphasis on independent study. On all courses you will be expected to study extensively on your own. You will be asked to read widely on a subject, make notes, research, write and revise outside of formal teaching. This is especially the case at postgraduate level. Advisors and supervisors will be ready to help but you will have to plan your learning, deciding how much time to put into it and which learning methods suit you best. You will be encouraged to be an active and independent learner.

## Assessment

All of the following may constitute assessment: examinations, course work, assignments, projects, presentations or essays. It is your responsibility to check the requirements for each form of assessment at Exeter.

## Plagiarism

Plagiarism means copying work from another student, or using, in your work, text or ideas from a publication or any other source, without referencing it correctly. Please note that the University has a very strict definition of plagiarism and the penalties are severe. Further information will be given to you by your College at orientation.

## English Language Support

There is free English Language Support available across all our campuses. See p.45.

## Academic Skills Development

You will be able to benefit from study skills support provided by the Academic Skills and Engagement Team Exeter-based campuses [www.exeter.ac.uk/academic-skills-engagement-team/academic](http://www.exeter.ac.uk/academic-skills-engagement-team/academic) or from Ask: Academic Skills at the Penryn Campus [www.exeter.ac.uk/cornwall/students/ask](http://www.exeter.ac.uk/cornwall/students/ask)

## Problems with your studies (taught students)

If you are worried about your progress on your course, or any aspect of your study, speak to the lecturer concerned.

If you have a personal situation that is affecting your studies, please arrange to meet with your Personal/Academic Tutor or the ISSO who can help you find the best source of support. It is very important that you tell someone as soon as possible. Don't leave things for weeks in the hope that they will get better.

It is also important to tell your College if you are sick and cannot attend lectures or seminars. Your College will have information on their website about who to contact to report sickness absences.

# What to pack

# What to pack

## Hand luggage checklist

Passport and visa (if separate)	✓
Copy of your Confirmation of Acceptance of Studies (CAS)	✓
Some sterling cash/travellers cheques	✓
A copy of this guide	✓
A jumper and umbrella	✓
Label your luggage clearly with full name, University, address	✓

For personal security reasons you are strongly advised not to put all of your personal documents (passport, money, travellers cheques, documents, important addresses and telephone numbers) in one bag, wallet or pocket. Keep them on your person and in your hand luggage, but keep them separate. This will limit the possibility of losing ALL your valuable documents at once, should your baggage be lost or stolen. You will also need to have them to hand in case you are required to show them at immigration. You will not be allowed to collect your main luggage until you have passed through immigration control.

We would recommend you keep photocopies of all your important documents and contact telephone numbers in your main luggage.

Term	Average Temp (Max °C)	Average Temp (Min °C)	Average Temp (Max °F)	Average Temp (Min °F)	Total Rainfall (mm)	Total Rainfall (inches)
Mar to May (Spring)	14	5	57	41	176	7
Jun to Aug (Summer)	21	12	70	53	147	6
Sept to Nov (Autumn / Fall)	16	8	61	46	231	9
Dec to Feb (Winter)	9	3	48	38	230	9

You will need some sterling cash (about £250) and either sterling traveller's cheques (about £300) or access to a credit card when you arrive for immediate expenses for you to use until your bank account is set up. Do not carry large amounts of cash with you.

## Climate and clothing

Remember that you will have to carry your luggage yourself at some point. All our campuses are very hilly and only a few residences have a lift. Only pack what you can carry!

The only certainty about the British weather is its changeability. Make sure you carry a jumper in your hand luggage for when you first arrive in the UK. We would recommend you bring a waterproof coat, umbrella and waterproof

shoes. If you do not have these items they can be easily purchased in Exeter or Falmouth.

Dress in Britain, especially at University, is mostly informal and casual. You will see many students in jeans, jogging trousers and training shoes. It will usually be made clear to you, when you are invited, that an occasion may demand something more formal or smart – if in doubt, just ask. 'Formal' clothes for men (dinner suits, etc) can be hired. You may want to bring your national costume to wear on special occasions.

## Checklist

Consider which airport you wish to arrive at	✓
Plan onward travel to Exeter or Cornwall	✓
Pre-book a seat on the Airport Collection Service September	✓
Label your luggage clearly	✓
Print out your key collection information if in University accommodation	✓

We would encourage students to consider travelling to Exeter or Bristol International Airports rather than Heathrow. You may need to change flights at a European airport such as Paris or Amsterdam but the airports are smaller, immigration processing times shorter and the distance to campus is shorter. However, we do realise that flights to Heathrow or Gatwick airports are often cheaper.

## When to arrive

We encourage all new students to arrive in time for Freshers' Week (Monday 18 – Sunday 24 September 2017) or January Orientation 2018 (Monday 15 January 2018). At these orientations you will be able to participate in the International Welcome Programme and attend your Academic Induction. To help the large number of students arriving for Freshers' Week we run a subsidised Airport collection service (see below). If you cannot arrive at these times or are a research student arriving outside these orientations please make your way to Exeter or Cornwall using the following

information and either attend a Late Orientation meeting or contact [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or info. [penryn@exeter.ac.uk](mailto:penryn@exeter.ac.uk) and we can arrange a meeting with you to give you a short introduction to the University.

### Freshers' Week Airport collection Service: Heathrow to Exeter

This service runs on Saturday 16 and Sunday 17 September 2017. This service is available for students and accompanying family members. Seats must be pre booked online. The deadline for booking is 14 September, but places are limited and allocation is made on a first-come first-served basis.

[www.exeter.ac.uk/internationalstudents/prearrival/orientation/airportcollectionservice](http://www.exeter.ac.uk/internationalstudents/prearrival/orientation/airportcollectionservice)

### Freshers' Week Airport collection Service: Heathrow to Penryn, Cornwall

This service runs on Thursday 14 September 2017. This service is available for students and accompanying family members. Seats must be pre booked online. The deadline for booking is 10 September, but places are limited and allocation is made on a first-come first-served basis.

[www.exeter.ac.uk/internationalstudents/prearrival/orientation/airportcollectionservice](http://www.exeter.ac.uk/internationalstudents/prearrival/orientation/airportcollectionservice)

## What to expect at the airport

When you arrive in Britain your first stop is **Immigration Control**

### For further details of UK airports:

Gatwick:  
[www.gatwickairport.com](http://www.gatwickairport.com)

Bristol: [www.bristolairport.co.uk](http://www.bristolairport.co.uk)

for which you will see two different signs. One queue is for EEA and British passport holders, and one for holders of all other passports. You may need to show the Immigration Officer all your documents and answer any questions regarding your stay in the UK.

The Immigration Officer will usually put a date stamp in your passport to show the date you entered the UK. You will have permission to stay until your visa or entry clearance expires. It may also be endorsed on your visa that you need to register with the police within seven days of arrival – this is routine procedure for certain visa nationals who are studying in the UK for six months or more. This can be done when you reach Exeter or Cornwall. The Police will be on campus to facilitate Police Registration during Freshers' Week. If you arrive in the UK outside this time see [www.exeter.ac.uk/internationalstudents/uklife/police/registration](http://www.exeter.ac.uk/internationalstudents/uklife/police/registration) for further information on Police Registration.

If you have any problems at Passport Control, you should ask the Immigration Officer to contact Estate Patrol at the University on +44 (0)1392 723999, or the Immigration Advisory Service (IAS) in Hounslow on 0844 887 0111 (09:30 – 17:30).

# Travelling to Exeter and Cornwall

If you have booked a place on the University's Airport Collection Service (see p.37), which is available only on Wednesday 13 September 2017 for students on our Cornwall campuses, and only on Saturday 16 and Sunday 17 September 2017 for students on our Exeter campuses, and you encounter any problems with the immigration process, let the officer know that you are being met at the airport by staff from the University.

After passing through Immigration Control you will be able to collect your luggage from the baggage reclaim area. The next stop is the Customs Hall. If you are not sure what you can or cannot bring into the UK, you should check the UK Customs and Excise website at [www.hmrc.gov.uk/customs](http://www.hmrc.gov.uk/customs) or ask at your local British Embassy/High Commission. There are very strict laws regarding the importation of foodstuffs and you should consult [www.gov.uk/defra](http://www.gov.uk/defra) to check personal food imports. If you have nothing to declare, use the 'green' channel. Use 'red' if you do have goods to declare, and 'blue' if you have already passed through an EEA airport and your goods have already been cleared.

## Travel options to Exeter/Cornwall

### Train travel from Heathrow to Exeter – via London Paddington

Take the London Heathrow Express from Heathrow to London Paddington Station. This takes 15 minutes and a single ticket costs £25. Details on [www.heathrowexpress.com](http://www.heathrowexpress.com)

When you get to London Paddington, go to the Ticket Office located on the forecourt and ask for a 'single ticket' (£65-£120 depending on your time of travel) to Exeter St David's Station. They will give you advice about the next available train. The journey time is usually two hours twenty minutes from Paddington Station. More details of train times and prices are available at [www.thetrainline.com](http://www.thetrainline.com)

We recommend you take a taxi from Exeter St David's Station to the campus if you have luggage to transport.

### Bus travel from Heathrow to Exeter

Bus services are often cheaper but less frequent and there are limits on the amount of luggage you can take (two x 20kg + one small hand luggage). Follow the signs from the Arrival Hall to the Central Bus Station. Buy a National Express 'single ticket' (approximately £32) to Exeter Bus Station from the Ticket Office. The journey time is around three hours 20 minutes. [www.nationalexpress.com](http://www.nationalexpress.com)

### Train travel from Gatwick Airport to Exeter

Follow the signs for Gatwick Airport Train Station and purchase a 'one way through' ticket to Exeter St David's Station (£65-£104). You should take the next train to Reading Station and from there a train to Exeter St David's Station. The travel time from Gatwick to Reading is 45 minutes and from Reading to Exeter is two hours 30 minutes, but you will need to allow connection time at Reading. More details of train times and

prices are available at [www.thetrainline.com](http://www.thetrainline.com)

### Bus travel from Gatwick to Exeter

Buy a single ticket in the Arrivals Hall for Gatwick to Exeter (approximately £57). National Express buses leave from outside both North and South terminals. You should take the next service to Heathrow and then change for Exeter. The journey time to Heathrow is one hour 15 minutes and from Heathrow three hours 20 minutes.

Allow connection time at Heathrow. [www.nationalexpress.com](http://www.nationalexpress.com)

### Travel from Exeter and Bristol Airports

Exeter International Airport is only 20 minutes from the Exeter campuses. There are regular bus shuttles to the city [www.exeter-airport.co.uk/bus-services](http://www.exeter-airport.co.uk/bus-services) or a taxi would cost approximately £45.

Bristol International Airport is one hour 30 minutes to Exeter. Follow the signs for the Bristol International Flyer bus and purchase a single ticket (approximately £7) to Bristol Temple Meads Rail Station. The journey time is 30 minutes. At Bristol Temple Meads purchase a single ticket for Exeter St David's Station (approximately £27). Journey time is one hour.

[www.thetrainline.com](http://www.thetrainline.com)

### On arrival at Exeter rail or bus station

Taxis are located immediately outside Exeter St David's train station and parked adjacent to the Bus Station in Sidwell Street.

# Travelling to Exeter and Cornwall

Ensure you have a printed copy of your Exeter address to give to the taxi driver. If you have University accommodation follow the instructions for key collection. The taxi drivers know the University well and can help you get to your accommodation. The cost from the rail or bus station is around £10. You may want to book a taxi in advance, especially if you are arriving at night.

The local firm is:

## Apple

+44 (0)1392 66 66 66

You will need to give the details of pick up time, where to collect you from and your destination address when you book the taxi. If you do not have accommodation arranged and need a hotel/guesthouse in Exeter see [www.exeter.gov.uk](http://www.exeter.gov.uk) and click on places to stay. Please make sure you book accommodation in advance of your arrival in the UK.

## Travelling to Cornwall campuses: Penryn or Truro

The following information is for students studying at our Penryn Campus, near Falmouth, or for students studying in Truro.

### By rail from Heathrow Airport – via Reading Rail Station

When you get to London Heathrow Airport, take the Heathrow Express bus to Reading Rail Station which takes approximately 45 minutes. At Reading Rail Station take your next connecting train to Penryn or Truro. The journey time from Reading to Truro is approximately four hours and 30 minutes.

### Onwards to Penryn

If you have a ticket to Penryn, change trains at Truro. If you have luggage then you would be advised to order a taxi before you arrive at Penryn (telephone +44 (0)1326 373007 or +44 (0)1326 212141). Alternatively, you can leave the train at Truro Rail Station and then take the **U1** bus from right outside Truro Rail Station to the Penryn Campus. For more details see

[www.firstgroup.com/ukbus](http://www.firstgroup.com/ukbus)

This bus continues onto Falmouth Moor where you can pick up a taxi from the taxi rank next to the bus stop (opposite Wetherspoons Pub) to take you to private accommodation in Falmouth. A single train ticket from Heathrow to Penryn will cost approximately £167 if bought on the day of travel. Cheaper tickets may be available if

you book in advance. For further details see [www.firstgreatwestern.co.uk](http://www.firstgreatwestern.co.uk) Timetable and fares information for your whole train journey from Heathrow to Truro/ Penryn are available from National Rail Enquiries [www.nationalrail.co.uk](http://www.nationalrail.co.uk)

### By bus from Heathrow Airport

Follow the signs in the Arrival Hall to the airport's **Central Bus Station**. Buy a National Express single ticket to **Truro or Falmouth (Berkeley Vale)** (approximately £43) from the Ticket Office located by W.H.Smith Bookshop near Stand 1. The bus service is **NX504**, and the journey takes approximately seven hours.

For more details see

[www.nationalexpress.com](http://www.nationalexpress.com)

From Falmouth you will need to catch a local bus or taxi to Penryn Campus. Bus numbers **U1**, **U2** and **U3** all regularly stop at Penryn Campus. For local bus times see [www.firstgroup.com/ukbus](http://www.firstgroup.com/ukbus)

### By rail from Gatwick Airport

Follow the signs for Gatwick Airport Rail Station and purchase a one way through ticket Truro or Penryn (£114). You will have to change trains at Reading and Truro; please ask at the ticket office for further details. The journey time is approximately six hours. See 'By rail from Heathrow' above for buses from Truro to the Penryn Campus and how to book tickets in advance. Timetable and fares information for your whole train journey from

## Freshers' Week

18-24 September 2017

Freshers' Week is a great opportunity for all new students to orientate themselves to the University of Exeter way of life. The week is packed with academic induction and social activities for all students to join. The International Welcome Programme sessions are specifically for international students and provide practical information and help to start your life at the University of Exeter and settle you into your new home as well as social opportunities. You will be able to see your Academic Induction meetings in your online timetable via iExeter prior to your arrival on campus so do remember to download iExeter to your smartphone.

You will receive lots of information about Freshers' Week in the Summer pre-arrival emails. Make sure you read these carefully to help you plan your week. Double check your spam email folder to ensure they haven't gone there. When you arrive on campus you will receive a Welcome Pack of information when you collect your University accommodation keys. If you are not living in University accommodation, the pre-arrival emails will tell you how to collect your Welcome Pack.

The International Welcome Programme includes the following:

- Dedicated Welcome Team for international students
- Airport collection service
- Official University Welcome

- Living in the UK presentation: banking, healthcare, English culture
- Police Registration
- Working in the UK presentation
- Guided tours of campus and city
- Guided shopping trips into the city
- Learning success in the UK presentation
- English language support
- Social events and introductions to student societies

Details of the Freshers' Week International Programme will be available at [www.exeter.ac.uk/internationalstudents](http://www.exeter.ac.uk/internationalstudents) from June. Freshers' week social programme will be available from mid August at [www.exeter.ac.uk/newstudents](http://www.exeter.ac.uk/newstudents)

Your academic induction meetings will be available in iExeter from early September.

## January Orientation

15 January 2018

This is a one day condensed version of Freshers' Week particularly for students arriving for Semester 2. It's short so that you can get straight into your studies. There are society and social activities during the following week for you to try.

Attendance is free but you must book your place online at [www.exeter.ac.uk/internationalstudents/prearrival/orientation/january-orientation](http://www.exeter.ac.uk/internationalstudents/prearrival/orientation/january-orientation)

## Global Chums Buddy Scheme

Our successful Global Chums Buddy Scheme has been in operation for seven years and is available for students arriving at Exeter and Penryn in September and January. The scheme gives you an opportunity to be matched with an Exeter student to give advice on living in the UK. You can ask your buddy anything... what the social scene is like or what it is like to study in the UK! Places are limited so apply early.

Further information and online applications are available from 1 June at [www.exeter.ac.uk/globalchums](http://www.exeter.ac.uk/globalchums)

**INTO University of Exeter** provides **English Language support** and other preparatory courses for international students. In addition to dedicated courses to prepare international students for undergraduate and postgraduate degree programmes, INTO offers a range of classes, workshops and tutorials to international students who feel they need, or would like, help and support in studying English during their degree programme. These in-session courses run throughout the year and include English Language support online. For further information see [www.exeter.ac.uk/into](http://www.exeter.ac.uk/into)

You may have concerns about adjusting to a new learning environment and study techniques. **The Student Engagement and Skills team** offers support with academic skills development through lectures, workshops and peer support sessions, and online skills.

Our **libraries** in Exeter and Cornwall provide a diverse range of study spaces to suit your needs, including quiet, silent, group and social learning spaces, plus flexible study areas such as the Sanctuary and Amory Study Space (Streatham Campus). As well as over 1.2 million books and journals in print, you also have access to outstanding online resources, such as e-books and journals, research databases and digitised reading lists, all of which are available 24/7, on and off campus. Library enquiries and skills support is available from the friendly Library Liaison Team. More information on Library services, facilities and resources can be found at [www.exeter.ac.uk/internationalstudents/yourlibrary](http://www.exeter.ac.uk/internationalstudents/yourlibrary)

The **Students' Guild** exists to support and represent every student at the University of Exeter. You will automatically become a member of the Students' Guild when you register with the University. The Students' Guild is based in Devonshire House on Streatham Campus, with drop-in facilities at St Luke's.

The Students' Guild is a democratic organisation, supporting students to make decisions and changes through representation systems which include academic courses and campaign groups. The Students' Guild will help you to share your views.

The Students' Guild also provides a wide range of opportunities to join clubs, volunteer in the local area, make new friends and develop your skills. There are more than 200 societies to choose from as well as student media (newspaper, radio and television), fundraising activities with Raise and Give (RAG), and volunteering projects with Exeter Student Volunteers (ESV).

**Music** can help you to relax and socialise, as well as improve your self-confidence and your concentration. The musical life of Exeter is dynamic and varied, with student societies offering everything from rock bands and musical theatre to full-size orchestras.

The **Students' Guild Advice Unit** offers free, independent and confidential information and advice on a range of issues affecting students, including housing, money and academic problems. The Advice Unit can also support students bringing their families to Exeter whilst they study. For more

information, visit [exeterguild.com/advice](http://exeterguild.com/advice)

The Guild is led by its students, which means that we always listen to feedback. Have Your Say provides a forum for comments, criticisms and discussion on the issues that matter most to the student body, and allows students to lead on decisions and enact real change.

Staying active and healthy is essential that's why there are so many ways for all students to engage in sport and physical activity.

We have 50 student-led sports clubs which are open to all abilities as well as lots of events throughout the year. The sports facilities are superb including an Innovative, Interactive, Immersive 200 station gym at the Sports Park. Fitness classes, swimming, badminton, tennis, football, cricket, basketball, table-tennis and much more.

A major aspect of the student sporting experience is the Intramural sports programme, which provides the opportunity for students to play in friendly sports competitions against other students at the University. Teams can be entered from friends, halls, courses or societies and are a great way to stay active and make friends.

**HOST UK** arranges for international students to spend a day, weekend or Christmas in a British home. You can visit a host in any part of the UK and experience more of the British culture and people. Further details are available at [www.hostuk.org](http://www.hostuk.org)

The **Student Health Centre**,

located on Streatham Campus, provides for the healthcare of students at the University. It is a National Health Service facility and part of a large local medical practice. You will need to register on arrival at the University. Please visit

[www.exeter.ac.uk/shc](http://www.exeter.ac.uk/shc)

**AccessAbility** aims to support students with a range of disabilities, specific learning difficulties (including dyslexia) and health conditions.

We can provide advice, guidance, signposting to other services and face-to-face support with accessing learning and teaching opportunities in preparation for and during academic programmes. Staff are qualified professionals and can offer a range of experience and expertise. All enquiries are dealt with confidentially and promptly enabling Exeter students to benefit from the support we offer. Visit [www.exeter.ac.uk/accessability](http://www.exeter.ac.uk/accessability) for more details.

**Nightline** is a confidential listening and information service funded by the Students' Guild, run by student volunteers. They are available every day of term between 20:00 and 08:00. You can call, Skype or send them an Instant Message if you need someone to talk to or just fancy a chat. Nightline also provides information, like the number for a takeaway or for university services. Tel: +44 (0)1392 724000

The **Wellbeing Services Team** offer a range of support services and psychological therapies to help students cope with their studies when difficult times occur. The team is made up of mental health practitioners and psychological therapists, all of whom can offer individual support packages tailored

to your individual needs. The Wellbeing Services team can be found at Reed Mews Wellbeing Centre (opposite the Student Health Centre) [www.exeter.ac.uk/wellbeing](http://www.exeter.ac.uk/wellbeing)

Living away from home in a new city (or country) can bring new challenges, so every student living in our accommodation in Exeter is assigned a **Residence Life Mentor** – a fellow student who has experience of university life. Your Mentor will visit regularly to answer questions, help with any problems, and keep you up-to-date with what's going on around campus and in the city. You can speak to them confidentially about whatever's on your mind. And, if you have an urgent worry or problem, Residence Life Team Leaders are on duty every evening to help. [www.exeter.ac.uk/residencelifeteam](http://www.exeter.ac.uk/residencelifeteam)

The support we offer students also extends off campus. The **Student Community Wardens** can be contacted on: [streetwise@exeter.ac.uk](mailto:streetwise@exeter.ac.uk) to arrange friendly welcome meetings at your premises. The Wardens can talk through aspects of community life that you need help with – from explaining the rubbish and recycling rules, to finding out how you can get involved in local events and activities.

**Careerzone** aims to help you develop the skills and knowledge to secure work or further study after you graduate. Staff in Careerzone can help you find part-time work, vacation work and volunteering, either to earn money whilst you are studying or to gain experience

of a future area of employment. It also provides support to find, and apply for, graduate-level jobs and placement opportunities.

There is a comprehensive programme of careers events available to help enhance your personal and professional skills, improve your job hunting techniques and meet employers on campus. The professional careers staff can also give you one-to-one support to guide you towards making an informed choice of career or further study. For more information visit [www.exeter.ac.uk/careers](http://www.exeter.ac.uk/careers)

Our **Estate Patrol Security Team** provides a security presence on campus 24 hours a day. Our uniformed staff are available to provide advice and assistance, both day and night, to staff, students and campus visitors. Fire alarms and intruder alarms, together with the University's extensive closed circuit television system are monitored on site to facilitate a rapid response when required. Tel: **+44 (0)1392 723999**.

**Residence Patrol** staff work closely with the Estate Patrol Security Team and Residence Patrollers from 22:15 to 04:00 nightly during term time. Their role focuses on providing welfare support to students in halls of residence as well as ensuring safety and security overnight.

## Car parking

Students who live in the city are not entitled to bring their cars on the campus during weekdays from 08:00 to 18:00. Car park C is for visitors to the campus only, but parking is available during evenings and weekends. You are respectfully

reminded that if you drive a car on a road you must hold a valid driving licence and be covered by adequate insurance.

## Chaplaincy

The University of Exeter Chaplaincy Team comprises the Lazenby Chaplain (full time Anglican Chaplain on the Streatham campus), the St Luke's Chaplain (part time Anglican Chaplain on the St Luke's campus) and Chaplains from the different world faiths: Christian, Muslim, Jewish, Buddhist and Baha'i. The Multifaith Chaplaincy Team serves all members of the University, students and staff, from any Faith background or none. They are impartial, inclusive and non-judgmental and are available to talk with you confidentially at any time. They also have close links with local religious leaders and communities in the city. Chaplains have good working relationships with the University Student Services.

There are three Christian chapels on campus at Exeter: the University Mary Harris Chapel (Anglican) which is located opposite the Queen's Building on Streatham Campus, the Roman Catholic Chapel on Glenthorne Road (the Catholic Chaplaincy), and the St Luke's Chapel on the St Luke's Campus. There are also Muslim Prayer Rooms in the Old Library (Streatham Campus) and in the Holnicote Building (St Luke's Campus). We also have a Chaplaincy Quiet Room on Streatham campus which can be found in the Old Library if you would like somewhere to be quiet and away from the busyness of campus life. You are very welcome to use this space Monday-Friday.

To contact the chaplains, or to find links to other Faith Communities in Exeter, please visit [www.exeter.ac.uk/chaplaincy](http://www.exeter.ac.uk/chaplaincy) The Chaplaincy Team is co-ordinated by the Lazenby Chaplain, Rev'd Chantal Mason who can be contacted anytime on email: [c.m.mason@exeter.ac.uk](mailto:c.m.mason@exeter.ac.uk) tel: +44 (0)1392 725858 (The Chaplaincy Office). The Chaplaincy can also be contacted out of hours on 07501 512855. These are only some of the support services that are available to you at the University of Exeter. If you want to find out more about any of the services before your arrival, please visit [www.exeter.ac.uk](http://www.exeter.ac.uk)

## Environmental sustainability at the University of Exeter

The University takes environmental sustainability very seriously and seeks to promote greater awareness of environmental sustainability issues to students. Students are actively encouraged to help make our campus more sustainable through a number of projects. The University environmental sustainability website [www.exeter.ac.uk/sustainability](http://www.exeter.ac.uk/sustainability) contains up-to-date information which details what the University is doing and what you can do. Visit the website today to find out how and where to recycle, how to travel in an environmentally friendly way, how to save energy and money, and opportunities to get involved and volunteer with the sustainability team.

# Student support services at Penryn

## Student support services at Penryn Campus, Cornwall

Prior to arrival, students can contact the Cornwall Admissions team at **internationalcornwall@exeter.ac.uk** for advice and guidance on a number of issues such as visa applications, working during your studies, bringing your family to the UK, plus general information on living in Cornwall and the UK.

Once you arrive in Cornwall the staff in the **Cornwall Education Services Team** can provide advice and guidance for any issues you may have including immigration and visa advice. In fact if you need to know anything about anything and don't know who to ask, ask us first! You can visit us in person at the Student Information Desk in the Peter Lanyon Building or via email **info.penryn@exeter.ac.uk**

**Student Support Services** is a family of specialist support services which includes Living Support, Counselling, Chaplaincy and Accessibility Services. They are located on the campus and can offer advice and support, however large or small the problem.

**Study Skills Advisers** are responsible for running workshops and providing one-to-one advice on topics including study skills, essay writing, and English Language support. There are also evening classes in modern foreign languages. For further details visit the web pages for international students at the Penryn Campus website **www.exeter.ac.uk/cornwall/students**

There are a number of clubs and societies at the Penryn Campus including a strong international society, which provides a network of friends and support, and arrange outings and events for its members. Other societies include sporting, faith or general interest. A list can be found on the web pages for FXU (the Student Union for students at the Penryn Campus) **www.fxu.org.uk**

The Career Zone aims to help you improve your chances of gaining a great job after you graduate.

The service specialises in helping you find part-time work, vacation work and volunteering, either to help you raise money whilst you are studying or to complement a future area of study or career. It also supports you with searching and applying for graduate-level jobs and placement opportunities. There are comprehensive training sessions and events available to help you enhance your personal and professional skills, improve your job hunting skills and meet employers on campus.

Professional careers staff will guide you towards making an informed choice of career or further study. If you already have an idea of what you'd like to do, they can offer specific information and advice for all areas and interests.

The careers website **www.exeter.ac.uk/careers** contains the information you need to make the most of the opportunities available

to you on campus to develop your skills and employability.

### Multi-Faith Chaplaincy

In Cornwall, a full-time Chaplain and Multi-Faith Team are available to care for students and staff of any faith or no faith who are studying at Penryn Campus.

The Chaplain (Becky Barber) also acts as a link with representatives of other Faith communities. **www.exeter.ac.uk/chaplaincy/chaplaincycornwall**

### International Student Support

On campus you will have access to a dedicated International Student Adviser who can provide help and practical advice on a whole range of issues, from immigration and visa queries prior to and during your time in Cornwall, to arranging for you to stay with British families, to information on shipping companies to send your possessions home.

In fact, if you need to know about anything and don't know who to ask, ask us first! Drop by the Info Desk in the Peter Lanyon Building Monday – Friday 9am – 5pm, or email **info.penryn@exeter.ac.uk** to book an appointment. All discussions are in total confidence and no information is given to anyone without your consent.

# Living in the UK and culture shock

Living in a new culture is exciting but can also be challenging. Here is some basic advice about life in the UK.

- Although simple politeness is always expected, British people are generally relaxed. They like to hear 'please' and 'thank you' repeatedly! People here are very friendly but can be reserved, especially when talking to strangers.
- It is not polite to be late in Britain. If you find you are going to be late or if you cannot keep an appointment try to contact the person you are going to meet beforehand.
- If you are invited to someone's home for a meal it is polite to take a small gift (for example, wine, chocolates or flowers), or you could invite them to your home in return. It is considered good manners to tell your hosts in advance if you have special religious or dietary requirements.
- When you are in a bank, shop or waiting for a bus you are expected to queue; stand in line and wait your turn. People can get very angry if you 'jump the queue'.
- If you do not drink alcohol, you may be worried if you are invited to go to a pub (public house or bar). Pubs are popular social meeting places and sell a range of soft drinks as well as alcohol. Both men and women are welcome. There is no waiter service and you pay for drinks at the bar when you order them.

- You may be surprised about the amount of alcohol some students consume. Unfortunately it is part of a student drinking culture. Only drink to a level you are comfortable with and not at all if you don't want to. You should never feel pressurised into drinking.
- You may wish to tip. About 10 – 15% for a taxi or in a restaurant is the norm although check a tip has not already been added.
- Men and women have equal rights in the UK. It is illegal to discriminate against anyone according to race, gender, age, class, sexual orientation or disability.
- British attitudes to sex and sexuality may be different from those in your own country. You are free to live according to your own personal standards, ethics and beliefs and not feel pressured to adopt those of any of your fellow students.

## Climate and clothing

See 'What to pack' section p.33.

## UK food

British people enjoy a great variety of food, including dishes from other countries. Meals in the UK can seem heavy and often rely on meat, potatoes and vegetables. It is important to maintain a good diet and not rely on fast food. If you are unused to cooking, take a look at [www.studentcooking.tv](http://www.studentcooking.tv) where there are many films of recipes and several films about Exeter.

## Smoking

In 2007 England undertook a complete smoking ban in public places. All University residences and buildings are non-smoking. Make sure you take notice of non-smoking zones in public areas. If you are in the company of others it is polite to ask if they mind whether you smoke, especially at meal times.

## Toilets

British toilets are the flushing, pedestal type. Toilet paper is provided and should always be flushed away after use. Separate facilities are usually available for disabled persons and for nappy/baby changing.

## Electricity

British electricity works on 230 volts/50 cycles and most socket take 13 amp square pin fused plugs. Make sure your electrical equipment can be used safely at this voltage. Adaptors can be purchased in the campus shops.

## Drinking water

All British tap water is safe to drink unless it is labelled 'not for drinking'. Do not use water from the hot water tap for making hot drinks. You should instead boil a kettle or use a microwave.

# Living in the UK and culture shock

## Driving in the UK

Exeter is a convenient city to get around without a car and there is very limited student parking on the campuses. Very few students have cars. Before buying a car, please consider all the costs involved – petrol, insurance and licence (both compulsory), MOT (certificate to prove your car is roadworthy), tax, repairs, etc. It is your responsibility to research the driving laws in the UK and comply. If you are caught without a licence, insurance, MOT and/or tax it can affect your visa status and you will be strictly punished by the police. Please contact [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or [info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk) if you are thinking of buying a car or bringing one to campus.

## Bicycles

Cycling is a healthy, cheap and convenient way to travel to and from our campuses. You can buy a low cost second-hand bike from a series of events organised by the Sustainability Team, who also sell discounted cycle lights and locks. There are plenty of cycle parking facilities on the campuses, to lock your bike and students can take advantage of free cycle safety check-ups at monthly Dr Bike events. A range of safe cycling information is available on the cycling web pages ([www.exeter.ac.uk/sustainability/travel/bike](http://www.exeter.ac.uk/sustainability/travel/bike)).

## Staying safe

Exeter and Cornwall are relatively safe places but by taking on board some simple crime prevention advice you can help to prevent becoming a victim of crime.

- Attend a safety talk from the Police during Freshers' Week or January Orientation.
- Register any valuable property at [www.immobilise.com](http://www.immobilise.com) free of charge.
- Keep your windows and doors shut and locked when you leave your property.
- Don't leave your valuables on view.
- If you have an alarm use it.
- Does your house look secure? If the answer is no speak to your landlord.
- Don't make yourself an easy target – walk and travel in groups at night and swap telephone numbers.
- Be aware of your surroundings
- Stick to well-lit streets and avoid shortcuts after dark.
- Use cash machines during the day or get cash-back in a supermarket. Never write down your PIN number.
- If you are concerned about a situation or feel unsafe go into the nearest shop and ask the assistant for help.

## Culture shock

Many international students experience culture shock when they arrive in the UK. The language, clothes, food and behaviour may seem strange compared to what you are used to at home. The rules of academic and social life may be quite different from what you expected. You may have thought you knew a lot about

Britain before you came but now find it hard to settle.

This is a very normal experience and most international students find that they soon become accustomed to their surroundings. But sometimes 'culture shock' can feel like an emotional rollercoaster.

## Tips to help with transition:

- Remember that culture shock is a normal experience and you're not alone. Talk to other international students who are probably feeling the same way.
- Bring a few familiar items with you to make your room feel more like home.
- Talk to people in your residence and in your classes, even if you are nervous. Most people will be friendly and you will feel more confident.
- Get plenty of rest, eat well and exercise.
- Join student clubs and societies where you can enjoy socialising with British and international students with the same interests.
- If you are finding the transition particularly difficult talk to your Personal Tutor, Residence Life Team, Chaplain, Wellbeing Services or ISSO. These people are trained listeners!
- Contact ISSO [sid@exeter.ac.uk](mailto:sid@exeter.ac.uk) or [info.penryn@exeter.ac.uk](mailto:info.penryn@exeter.ac.uk) for an appointment and a chat.

We are always willing to listen and help in any way we can.
