Spotify Playlist

The network has a collaborative playlist on Spotify. Feel free to add great songs to the list that have meant something to you and your LGBTQ+ identity. The more we have, the better the playlist. Follow the list, and get adding peeps.

If you would like to access the playlist, please click [HERE](#) or the image above.

Teams Site

The network has a Teams site that many are signed up to. This is a site for you, to talk about you, your experiences and to connect with others. Feel free to post in the chat, when you are struggling, when you come across something interesting, or something funny.

It does not need to be LGBTQ+ content, it is there for you to feel a part of the community, so use and use away peeps.

Census 2021

Sunday 21 March 2021

The Census for 2021 is coming up. By law the census needs completion, and for some of us, this can mean that you have to hide your identity from it, due to not wanting to 'out' yourself to the people you live with.

This year is different and you can request an individual access code for the census. This will allow you to over-write any responses made to the online form that your household will fill in collectively. To request an individual access code, go to <https://census.gov.uk/en/request/access-code/individual/> or click the image above.

No one in your household will be notified of your changes.

Fortnightly Social

Wednesday 24 March 2021

We are now running our virtual socials more regularly (fortnightly). These will be held every other Wednesday 12:00 - 13:00. Feel free to drop in/out at any point during this time.

Just click on the button below when it is time for the event.
