**NOTE:** Pre-sessional English is not accepted for degrees in BMBS Medicine, MSci Nursing and BSc Medical Imaging (Diagnostic Radiography). In the event that UKVI legislation changes post-publication (January 2020), the University reserves the right to change: a) acceptable English language tests and/or b) minimum overall and/or subscores required to enter either or both degree programmes or Pre-sessional English programmes. Pre-sessional English offer holders will be sent further guidance about their visa application within three months of the Pre-sessional English start date. Advice may vary according to their linguistic scores and the test taken to evidence these.
