**NOTE:** Pre-sessional English is not accepted for degrees in BMBS Medicine, MSci Nursing and BSc Medical Imaging (Diagnostic Radiography). In the event that UKVI legislation changes post-publication (January 2020), the University reserves the right to change: a) acceptable English language tests and/or b) minimum overall and/or subscores required to enter either or both degree programmes or Pre-sessional English programmes. Pre-sessional English offer holders will be sent further guidance about their visa application within three months of the Pre-sessional English start date. Advice may vary according to their linguistic scores and the test taken to evidence these.

### Additional English language support during your degree

The INTO Centre in Exeter and ASK in Cornwall also provide English Language Skills Development classes, workshops and tutorials after you have enrolled on your degree programme.
