

NEED DENTAL CARE? Peninsula Dental School

The Peninsula Dental School Education Facility is now open for patients in Exeter.

If you would like to receive a dental check-up and any necessary treatment from a dental student then please call **01392 405350** to make an appointment. All student dentists are supervised by a qualified dental practitioner.

**Clinics will open in Exeter on the RD&E Hospital site
Gladstone Road, Heavitree.**

**All care and advice provided by dental students is free of charge
to all patients.**

More information is also available by logging on at: www.pds.ac.uk
