# Environmental and Resource Economics

## LEEPin2019 Special Issue

To celebrate LEEPIn2019 presenters are invited to submit papers for consideration of publication within a Special Issue of

*Environmental and Resource Economics*  
(the Official Journal of *EAERE*)

Given the quality of presentations the special issue is expected to be highly cited

Submission is via the ERE website, selecting option:

*Frontiers in Environmental Economics*  
Special Issue

Papers will be subject to peer review (no guarantee of acceptance)

# Reminders

Speakers: 45-50 minutes for plenaries; 20 mins for parallels

Remember the speaker who is following you

# Reminders

Audience: Try to save questions to the end (there's extra time for these!)

This is not a contact sport!

# Reminders

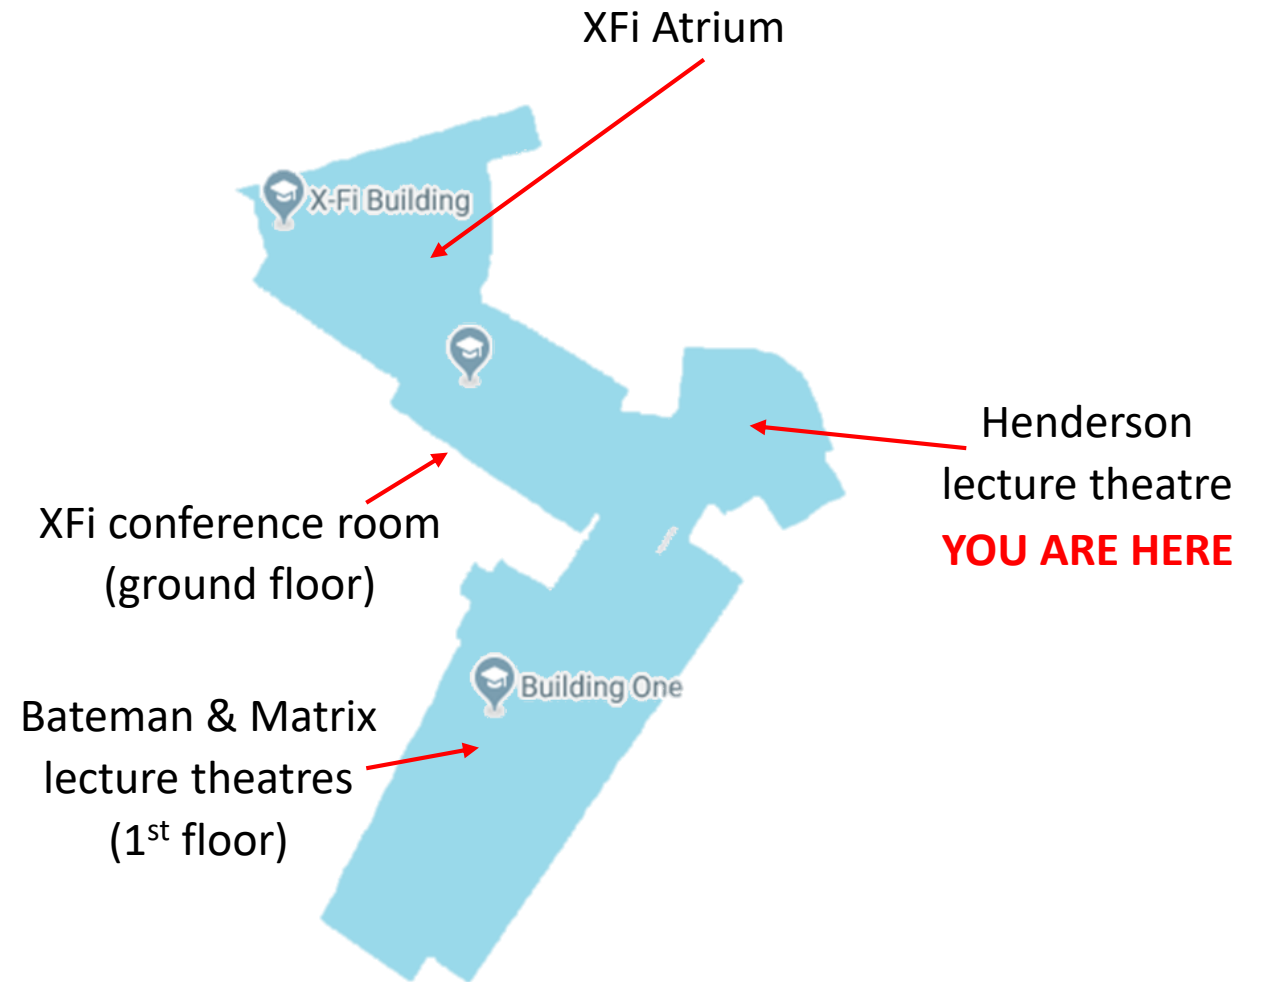

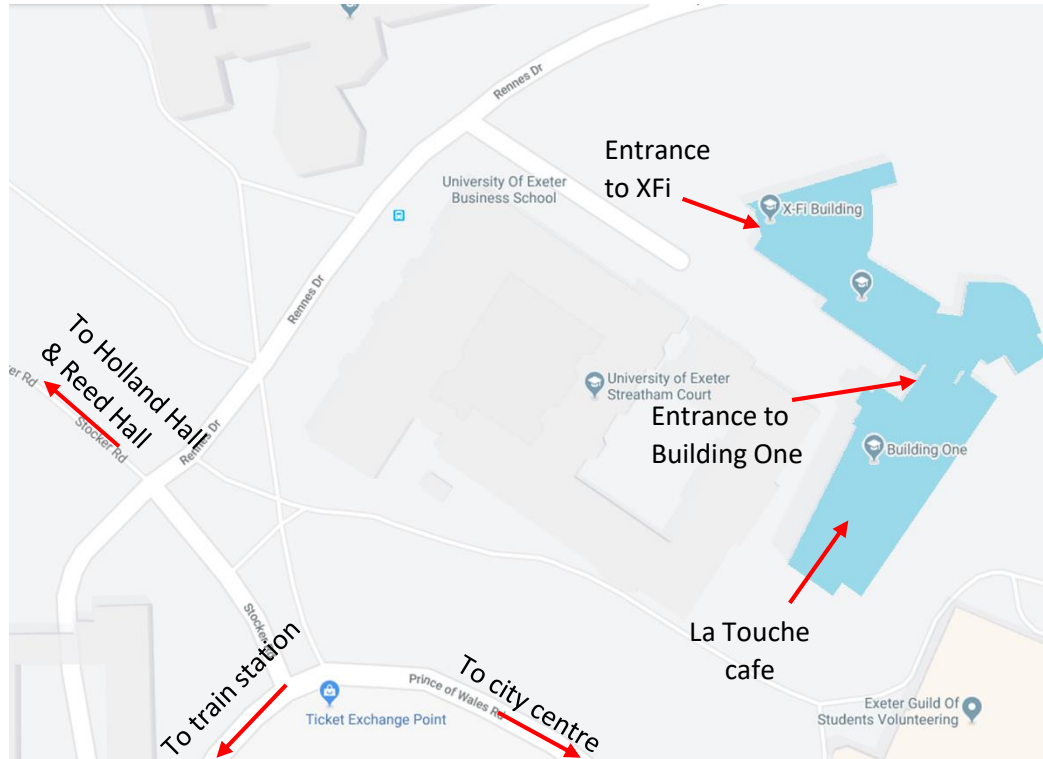

*“That’s an excellent suggestion Miss Triggs. Perhaps one of the men here would like to make it”*

Let’s all try to leave all our (unconscious) biases at the door  
Support the Exeter *Speak Out!* campaign
