Premium Adjustable

The first and annual premiums are provisional and will be adjusted as follows.

At the end of each Period of Insurance the Insured shall advise to the Company such information as agreed relative to each preceding Period of Insurance and the actual premium shall be calculated.

If the actual premium is greater than the premium paid for the period, the Insured shall pay the balance to the Company, if it be less, the difference shall be repaid to the Insured subject to any agreed minimum premium.

The annual premium is on a minimum and deposit premium of £95,000 plus IPT. If the premium calculated from the actual trips made in the period is equal to or below 110% of the estimated travel days premium, then there will be no adjustment due, subject to an acceptable claims experience.

If the premium calculated from the actual trips made in the period is higher than 110% of the estimated travel days premium, then an additional premium will be charged.
