

Accessing your Exam paper on Exams ELE

1. You can find [Exams ELE here](#) or by typing <https://exams.exeter.ac.uk> into your browser
2. Select the module you want to navigate to from the 'My courses' section located in the menu on the left-hand side.

3. If you cannot see the 'My courses' menu, click on the icon in the top left to expand the menu out (see below).

4. The link will take you to your module page which will display the general information about your exam, followed by a section containing your exam.

Please note – Exams will not be available until the start time/date provided to you. You may need to refresh your ELE page (press F5) in order to see the exam appear if you have opened the page prior to the start time.
