

HIGHER EDUCATION USEFUL WEBSITES >>

WHAT TO DO NEXT?

nationalcareersservice.direct.gov.uk –

This website offers information about what you need to do to get the career you want. Very useful if you have a career in mind and don't know how to get there.

brightknowledge.org – This website aims to inspire, guide and support individuals to make informed choices. Here you'll find lots of information about deciding whether to go to university or not.

WHICH COURSE?

careerpilot.org.uk – A website aimed at students aged between 11-19 providing information, advice and guidance about progression routes.

FINANCE

gov.uk/student-finance – For advice on student finance. For students from England and includes links to the relevant funding bodies for students from across the rest of the UK, Channel Islands and Isle of Man.

gov.uk/repaying-your-student-loan – The Student Loans Company (SLC) is a UK public sector organisation providing loans and grants to cover one million students annually, across England, Northern Ireland, Scotland and Wales.

FINANCE continued

saas.gov.uk - Information on applying for student finance for students from Scotland.

studentfinancenl.co.uk – Information on applying for student finance for students from Northern Ireland.

studentfinancewales.co.uk – Information on applying for student finance for students from Wales.

exeter.ac.uk/studying/funding – Information about funding opportunities at the University of Exeter.

gov.uk/student-finance-calculator – A finance calculator that will provide information about what funding you will be eligible for.

APPLYING AND PERSONAL STATEMENTS

ucas.com/personalstatement – For advice on writing your personal statement. Also includes specific advice for those applying to university as carers, estranged students, refugees and asylum seekers, and mature students.

ucas.com – The Universities and Colleges Admissions Service.

CHOOSING A UNIVERSITY

discoveruni.gov.uk – A website for students who want to research and compare subjects and universities before deciding where to apply. You can also look at student satisfaction ratings and explore the figures about getting a graduate job after completing a course.

thestudentroom.co.uk – Where GCSE, A level and university students share academic and social knowledge: from study help, to choosing a university, careers, and student life.

thecompleteuniversityguide.co.uk – This website provides UK University league tables and information about each institution.

uni4me.co.uk – A collaborative site between 50 Higher Education organisations led by the National Education Opportunities Network to provide you access to information and guidance about university.

unitasterdays.com - An online directory of university events.

whatuni.com – Find out information about courses, open days and access online resources on this website.

TRANSITION TO STUDENT LIFE AND WELLBEING

nus.org.uk – National Union of Students website provides information about the services and campaigns run by the Union.

studentminds.org.uk – Student Minds is a charity working specifically to support students in looking after their mental health and includes several resources including tips to manage exam stress and the transition to university.

AFTER UNIVERSITY

prospects.ac.uk – The official graduate careers website. Find graduate jobs, postgraduate courses, work experience and careers advice.
