**2017 employed graduates data

As a result of the academic knowledge and transferable skills I have gained, I now have a clear sense of the leader I want to be and the career direction I want to follow

Nan, China, 2018/19

My favourite module so far has probably been Sustainability, as it has changed my perspective on how businesses should operate and given me an insight into how behaviours need to change.

Katharine, Ireland 2018/19
