

# Introducing the new Circuit mobile app

Designed with students and residents in mind, the Circuit app is a revolutionary and convenient new way to pay for laundry.

**Please remember to use Wifi or 3G/ 4G for best performance of the mobile app.**

-  Use PayPal or a debit/credit card to top up in seconds
-  Works on both Apple and Android smart-phones
-  No cash or top up card necessary
-  Simply scan a machine's QR code and select wash programme

[Download app for iOS](#) [Download app for Android](#)

## Setting up your mobile app

Once you have downloaded your mobile app you can register in your laundry room or at home

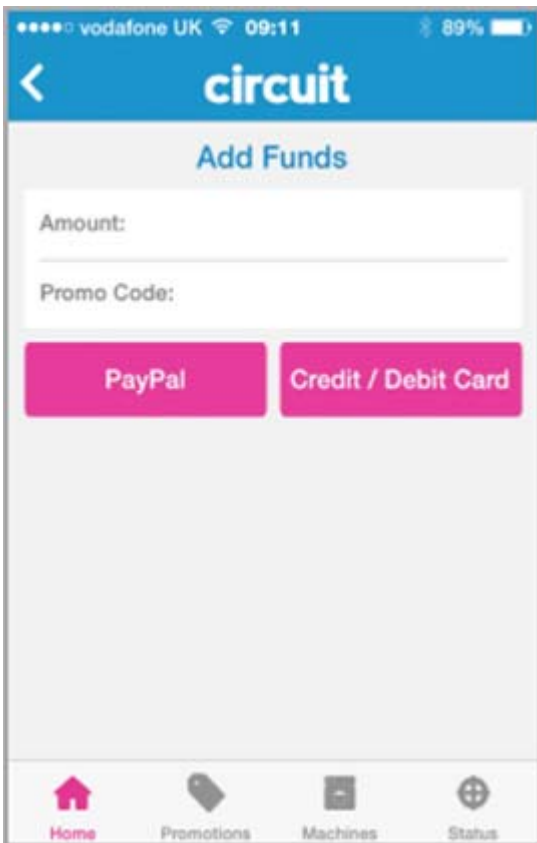

### Register in your laundry room

1. Go to your laundry room
2. Make sure you have good Wifi or 3G/ 4G signal
3. Open the app on your mobile
- 3 Enter your email and choose a password
4. Scan the QR code shown on the machine

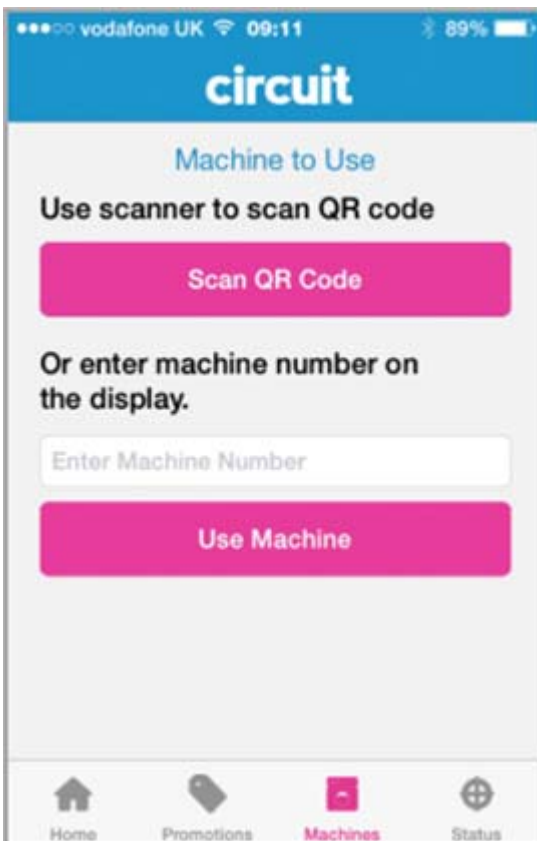

## Using the new mobile app

### Top Up

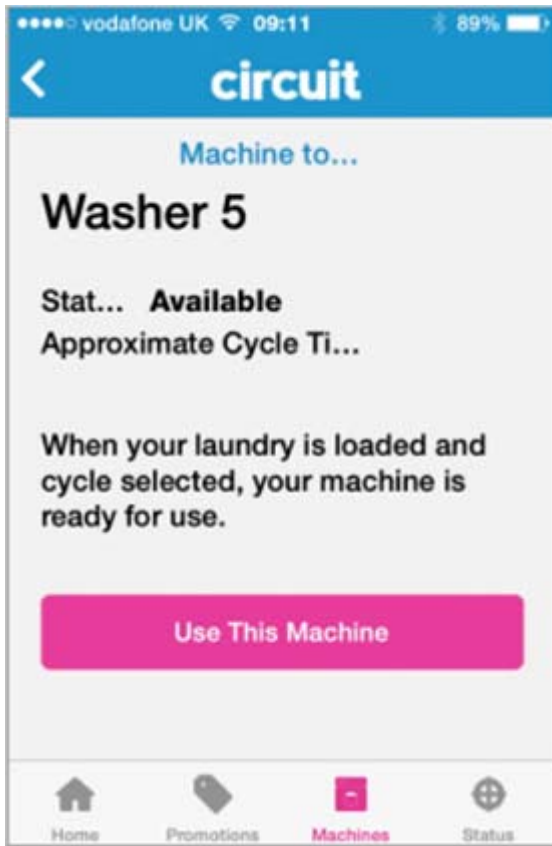

Top-up your app account within seconds via Debit / Credit Card or PayPal to ensure you have sufficient funds to activate the machines.

### Choose a machine

Scan your chosen machine's unique QR code (displayed on each machine) with your phone, or enter the machine's ID manually

## Activate machine

Once the chosen machine has been selected, you simply confirm the payment and start the machine – simple!
