Anticipating Practice (AP) FRAP Instructions

Guidance

Trainees should complete each section of the AP FRAP by working through each tab.

The required uploads were part of the pre-course tasks explained on the pre-course section on the PGCE website.

The AP FRAP assesses progress against the AP Profile Descriptor. It is important that trainees become familiar with the profile descriptor for their current phase and evidence achievement of it using the FRAP.

The Personal Tutor assesses the evidence.

Trainees should complete their uploads and reflection by 22nd September.

The action plan and tutor comments should be completed by the final submission date 6th October.
