You cannot receive more than one scholarship from the University of Exeter; if you are eligible for multiple scholarships you will be awarded whichever scholarship has the higher value. If your tuition fees will be financed by an external body (such as an overseas government or Chevening, Commonwealth or a partner Institution) with whom the University has a shared financing agreement this award may be invalidated or superseded with a different fee arrangement.

If you expect to receive funding from a charity this may also make you ineligible to receive this scholarship.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please send a soft copy of the award letter to admissions pg-ad@exeter.ac.uk

If you defer your 2022/23 offer or change fee status then your scholarship offer will be invalidated.

In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment or other requirements:
