

University of Exeter Kenya Postgraduate Taught Scholarships 2024/25

The University of Exeter is offering scholarships worth £4,000 to international students from Kenya enrolling on an eligible Postgraduate Taught (Masters) programme in September 2024.

These awards are available to applicants who:

- are a citizen/passport holder of Kenya and therefore classed as an International student for fees purposes; and
- hold an offer to study an eligible campus-based Masters programme at the University of Exeter commencing in September 2024.

And will be received by those who go on to:

- meet the conditions of that offer as set out in their offer letter, including paying a deposit if required; and
- enrol on that programme in 2024/25.

These awards are intended for self-funded students.

This scholarship will be awarded as a reduction in tuition fees; it cannot be paid as cash or attributed to other charges such as accommodation fees. It will be automatically deducted from your first-year tuition fees following enrolment. If you choose to pay your tuition fees in instalments, the award will be deducted from the total annual tuition fee and the remaining balance split accordingly.ⁱⁱⁱ

This award is for one year only and is not recurrent for subsequent years of study.

You cannot normally receive more than one scholarship from the University of Exeter; if you are eligible for multiple scholarships, you will be awarded whichever scholarship has the higher value. However, this scholarship can be received together with a University of Exeter Global Excellence Scholarship (£7,500 award).

If your tuition fees will be financed by an external body (such as an overseas government or Chevening, Commonwealth or a partner Institution) with whom the University has a shared

financing agreement then this award may be invalidated or superseded with a different fee arrangement.

If you expect to receive funding from a charity this may also make you ineligible to receive this scholarship.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please email a copy of the award letter to admissions pg-ad@exeter.ac.uk

If you defer your 2024/25 offer or change fee status, then your scholarship offer will be invalidated. In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment or other requirements: <http://www.exeter.ac.uk/students/finance/studentfinanceregulations/>
