You cannot receive more than one scholarship from the University of Exeter; if you are eligible for multiple scholarships you will be awarded whichever scholarship has the higher value. If your tuition fees will be financed by an external body (such as an overseas government or a partner Institution) with whom the University has a shared financing agreement this award may be invalidated or superseded with a different fee arrangement.

If you expect to receive funding from a charity this may also make you ineligible to receive this scholarship.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please send a soft copy of the award letter to admissions ug-ad@exeter.ac.uk

If you defer your 2021/22 offer or change fee status then your scholarship offer will be invalidated. In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment or other requirements: <http://www.exeter.ac.uk/students/finance/studentfinanceregulations/>

By applying for this scholarship you are agreeing to your personal details being shared with the scholarship panel members.

Please note that if you are successful and accept this award, you may be asked to provide a photograph and written or video profile to appear in publicity material relating to scholarships and/or study at the University of Exeter.

This scholarship will be awarded as a reduction in tuition fees; it cannot be paid as cash or attributed to other charges such as accommodation fees. It will be automatically deducted from your first year tuition fees upon enrolment. If you choose to pay your tuition fees in instalments, the award will be deducted from the total annual tuition fee and the remaining balance split accordingly.

This award is for one year only and is not recurrent for subsequent years of study.
