If your tuition fees will be financed by an external body (such as an overseas government or Chevening, Commonwealth or a partner Institution) with whom the University has a shared financing agreement this award may be invalidated or superseded with a different fee arrangement.

If you expect to receive funding from a charity this may also make you ineligible to receive this scholarship.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please send a soft copy of the award letter to admissions pg-ad@exeter.ac.uk

If you defer your 2021/22 offer or change fee status then your scholarship offer will be invalidated. In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment or other requirements: <http://www.exeter.ac.uk/students/finance/studentfinanceregulations/>

It will be automatically deducted from your first year tuition fees upon enrolment. If you choose to pay your tuition fees in instalments, the award will be deducted from the total annual tuition fee and the remaining balance split accordingly.
