Dear Colleague

Confirmation of critical worker status

I am writing to confirm your status as a critical worker due to your employment at the University of Exeter. This is in line with guidance issued by the Government that considers teaching and support staff involved in the delivery of Higher Education as critical workers, vital to the continuation of education.

If you have a child or children, please accept this letter as confirmation that arrangements can be made for them to access school or childcare, to enable you to carry out your essential duties.

We recommend that you provide a copy of your staff ID card with this letter as additional proof of your employment and critical worker status.

If you require any further information please contact us at humanresources@exeter.ac.uk.

Yours sincerely

Rob Tinley
Head of Employee Services, HR
