

Level 7 Senior Leader Apprenticeship

Postgraduate Diploma in Management and optional Exeter MBA Top-up

Our Senior Leader Apprenticeship is designed for aspiring leaders who already hold senior management roles in public or private sector organisations of all sizes. It aims to equip participants with the management knowledge, leadership skills and behaviours exhibited by role models in these organisations that have been defined by employers in the Senior Leader Apprenticeship standard. Extending the programme with the optional MBA top-up will give participants the opportunity to immerse themselves in a range of critical topics addressed in the research activities of the University of Exeter Business School and driven by its focus on responsible leadership, sustainable management and the digital economy.

Successful graduates of the programme will have positive impact in their organisations. They will lead change in an inclusive and strategic way, will have clear focus on achieving the diverse goals of the organisation, and be capable of influencing at Board or equivalent level. Externally they will act as ambassadors for their organisation, building networks and relationships with clients, suppliers and statutory bodies.
