

UNIVERSITY OF EXETER

DEGREE APPRENTICESHIPS

Level 6 Chartered Manager

Our Chartered Manager Degree Apprenticeship programme unlocks the potential of your existing managers and leaders by developing their knowledge, skills and behaviours, enabling them to drive performance and productivity improvements in your organisation. Successful apprentices will have the option to apply for professional recognition as Chartered Managers and Members of the Chartered Management Institute (CMgr MCMI).

Level 6 Digital and Technology Solutions

Enable your team to enhance your business using new and innovative mathematical and computational techniques in data science to impact your strategic intent. Apprentices will be able to promote organisational data science developments to benefit your business. They will lead on business critical projects; managing the design and implementation of projects both internally and externally, disseminating findings to internal and external stakeholders.

Level 7 Senior People Professional

Improve people practices in your organisation to drive organisational performance and effectiveness. Build a team who champion the people agenda, creating working environments and cultures that help get the best out of people, delivering great organisational outcomes. This standard aligns with the professional recognition of CIPD for Chartered Member.

Level 4 Investment Operations Specialist/ Level 6 Financial Services Professional

This programme supports new entrants to the financial sector, allowing them to develop their career while building towards professional qualifications from CISI or CFA alongside achieving a BSc Hons degree in Applied Finance.
