All employees

Mental Health Awareness 3 Hour Course

Build awareness of mental health, recognise symptoms, find out where to get support and learn how to provide basic help to your colleagues.

Introduction to Personal Resilience 3 Hour Course

Find out how to keep yourself well in tough times and explore a range of self-help measures that can be incorporated into your daily routine.

Managers

Managing Mental Wellbeing and Stress at Work 4 Hour Course

Learn ways to foster a wellbeing culture and recognise/respond to stress and other common mental health problems. Find out about employer responsibilities for controlling stress at work.

Supporting Employee Health Needs at Work Lunchtime 1 Hour Learning Sessions

Monthly lunchtime sessions on a range of health topics, aimed at assisting line managers to support employees who are experiencing stress or have known physical and mental health conditions.

Employees who work with students

Mental Health, Wellbeing and the HWSS Procedure 20 Minute Online Course

Find out about student mental health and wellbeing in the context of Higher Education, and get information, advice and guidance about supporting students at the University of Exeter.

Employees who support students with mental health problems

Mental Health First Aid (MHFA) 1 Day Course

Become a Higher Education MHFA Champion. Learn how to identify early warning signs of mental ill health, effectively guide students towards other support, and increase knowledge and confidence to advocate for mental health awareness.

MHFA 2 Day Course

Become a mental health first aider. Learn how to identify, understand and help a person experiencing a mental health issue. Like physical first aid, recognise warning signs of mental ill health, provide help on a first aid basis, and effectively guide someone towards the right support.
