

Student Startup programme grant funding

Phase 1 - Market Validation: Up to £500 (Pre-Incubator programme)

Activity should be aimed at validating the market demand for their value proposition.

Phase 2 - Start-up: Up to £1500 (Incubator programme)

Activity should be aimed at achieving first sales for the new product or service that has been validated, or scaling existing sales towards a specific threshold.

Phase 3 - Growth: Up to £2000 (Post-Incubator programme)

Activity should be aimed at scaling a business proposition that is active and has achieved first sale (does not have to be incorporated yet) towards a specific growth aim.
