

Impending scholarship deadlines

Agents are reminded that many of the University scholarships have an application deadline at the end of March 2016.

- [Graduate LLB and Masters of Laws \(LLM\) Scholarships](#) (Deadline 29 March)
- [Sports Scholarships](#) (Deadline 31 March)
- [Business School World Class Scholarships](#) (Deadline 31 March)
- [MSc International Hospitality and Tourism Management](#) (Deadline 31 March)
- [LLM Excellence Scholarships](#) (Deadline 1 April)

In order to be eligible for any scholarship/bursary, a student must have already applied, been made an offer and accepted the offer before they can apply for a scholarship. Therefore, if you have any potential students who have not yet submitted an application for a University programme, you will need to expedite the application without delay.

Exeter experts receive €700,000 grant to study the future security of water, food and energy provision

Researchers from the University of Exeter have been awarded a substantial grant of over half a million pounds, by the EU Commission, to lead a pioneering international research project to safeguard long-term provision of crucial natural resources.

Experts from Exeter's [Centre for Water Systems](#) and [Energy Policy Group](#) are collaborating on the key research project, which aims to investigate how policy makers can develop strategies to meet the challenges that climate change could have on water, food and energy provision.
