Abbey College Cambridge	70% overall including 70% in Biology and one other Science. Nothing less than 60%		65% overall including 65% in a Science. Nothing less than 60%	70% overall including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
Abbey College Malvern	Streatham- 70% overall, including 70% in Biology and one other Science, nothing less than 60%. Penryn- 65% overall, including 65% in Biology and one other Science, nothing less than 60%	Not accepted	65% overall, including 65% a Science subject. Nothing less than 60%	70% overall, including 65% in a Science subject with nothing less than 60%	65% overall, including 65% in a Science. Nothing less than 60%.	
Bath Academy Foundation	Grade B average (incl. Mathematics). To include Biology (A) and one other Science (B)	Grade B average. B in Humanities or a Social Science subject. Assuming relevant subjects studied	Pass in all modules with Grade B average. B in a Science. Assuming relevant subjects studied	Pass in all modules with Grade A average (incl. Mathematics). B in a Science. Assuming relevant subjects studied	Pass in all modules with Grade B average and a B in a Science. Assuming relevant subjects studied	
Bath University Foundation	As per A Levels	As per A Levels	As per A Levels	As per A Levels	As per A Levels	
Bell Cambridge (Science)	65% overall including 70% in Chemistry and Biology. Nothing less than 60%		65% overall including 65% in a Science. Nothing less than 60%.	70% overall, 65% in a Science. Nothing less than 60% (must include Maths)	65% overall including 65% in a Science. Nothing less than 60%	
Bellerbys (Science)			65% overall, including 65% in a Science subject with nothing less than 60%	70% overall, including 65% in a Science subject with nothing less than 65% (incl. Maths)	65% overall, including 65% in a Science with nothing less than 60%	
Bellerbys (Social Sciences)		65% overall, including 65% in Hums/Social Sci with nothing less than 60%. Assuming relevant subjects studied	65% overall, including 65% in a Science subject with nothing less than 60%. Assuming relevant subjects studied	70% overall, including 65% in Psychology with nothing less than 60%. Students must meet GCSE requirement or achieve 65% in Pure Maths 1 and Statistics	65% overall, including 65% in a Science with nothing less than 60%. Assuming relevant subjects studied	
Bridge House College Nigeria	75% (A) overall, including 75% in Biology and one other Science	65% (B) overall, including 65% in a Science with nothing less than 60%	65% (B) overall, including 65% in a Science with nothing less than 60%	75% (A) overall, including 65% (B) in a Science with nothing less than 60%	65% (B) overall, including 65% in a Science with nothing less than 60%	
Brooke House College (University Foundation Programme)	65% overall with nothing less than 60%, to include Biology and another Science	65% overall with nothing less than 60%, to include a Humanities or Social Science	65% overall including 65% in a Science. Nothing less than 60%	70% overall including 65% in a Science. Nothing less than 60%	65% overall to include 65% in a Science. Nothing less than 60%	
CATS	As per A Levels Guaranteed progression for CATS applicants (upon meeting entry requirements)	As per A Levels Guaranteed progression for CATS applicants (upon meeting entry requirements)	As per A Levels Guaranteed progression for CATS applicants (upon meeting entry requirements)	As per A Levels Guaranteed progression for CATS applicants (upon meeting entry requirements)	As per A Levels Guaranteed progression for CATS applicants (upon meeting entry requirements)	
City College Plymouth	70% overall, including 70% in Biology. Nothing less than 60%	Not accepted	65% overall, including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science. Nothing less than 60%	65% overall, including 65% in a Science. Nothing less than 60%	
Cambridge Ruskin International College Foundation (Optometry, Medical and Life Science Pathway)	70% overall including 65% in Cellular Biology or Biology – Physiology and one other Science module. Nothing less than 60%		70% overall including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science module, and 65% in Maths for Scientists, nothing less than 60%	70% overall including 65% in a Science. Nothing less than 60%	
David Game College	65% overall including Chemistry and 70% in Biosciences. Nothing less than 60%	65% overall, including 65% in Hums/Social Science with no module less than 60%	65% overall, including 65% in a Science subject. Nothing less than 60%	70% average, including 65% in a Science (to include maths where appropriate). Nothing less than 60%		
Durham University ISC (Science and Engineering)	70% overall including 70% in Biology and one other Science. Nothing less than 60%		65% overall including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
EF (All pathways)	65% overall including Chemistry and 70% in Biosciences. Nothing less than 60%	65% overall, including 65% in Hums/Social Sci with nothing less than 60%. Assuming relevant subjects studied	65% overall, including 65% in a Science with nothing less than 60%. Assuming relevant subjects studied.	70% overall, including 65% in a Science with nothing less than 60% (incl. Maths)	65% overall, including 65% in a Science with nothing less than 60%	
International College Wales Swansea University	70% (A*) overall including 70% in Biology and one other Science	65% (B*) including 65% in a Science with nothing less than 60%	65% (B*) overall including 65% in a Science with nothing less than 60%	70% (A*) average including 65% (B*) in a Science. Nothing less than 60%	65% (B*), including 65% in a Science with nothing less than 60%	
INTO Newcastle (Biological and Biomedical Sciences)	70% overall including 70% in Biology and one other Science. Nothing less than 60%		65% overall, including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science. Nothing less than 60%		
INTO London WEC (Science and Engineering)	70% overall including 70% in Biology and one other Science. Nothing less than 60%		65% overall, including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
INTO Queen's University Belfast	70% overall including 70% in Biology and one other Science. Nothing less than 60%		65% overall, including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
INTO UEA (Mathematics and Actuarial Sciences, Pharmacy, Health and Life Sciences, Physical Sciences and Engineering)	70% overall including 70% in Biology and one other Science		65% overall, including 65% in a Science. Nothing less than 60%	70% overall, including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
INTO Stirling (Media, Humanities and Social Sciences)		65% overall, including 65% in a Social Science. Nothing less than 60%.		70% overall, including 65% in a Science. Nothing less than 60%		
INTO Stirling (International foundation in Business, Finance, Economics and Marketing)				67% overall, including 67% in optional Introduction to Psychology Module. Nothing less than 67%.		
Kaplan (Business, Law and Social Science)						
International Colleges: York, Bournemouth, Brighton, Liverpool, Nottingham, Nottingham Trent, Glasgow, University of the West of England		65% average, including 65% in Hums/Social Sci with nothing less than 60%. Assuming relevant subjects studied	65% average including 65% in a Science. Nothing less than 60%	70% average including 65% in Maths. Nothing less than 60%		
Kaplan (Science)						
International Colleges: York, Bournemouth, Brighton, Liverpool, Nottingham, Nottingham Trent, Glasgow, University of the West of England			65% average including 65% in a Science. Nothing less than 60%	70% average including 65% in a Science. Nothing less than 60%	65% average to include 65% in a Science. Nothing less than 60%	65% overall, including 65% in Biology and one other Science. Nothing less than 60%
Kaplan International College London (Science and Engineering)	70% overall including 70% in Biological Sciences and one other Science. Nothing less than 60%	65% overall including 65% in a Hums/Social Sci with nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	70% overall including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
Keele University Foundation Year (Science Foundation course- Biology)	70% overall, including 70% Biology. Nothing less than 60% Biology modules include: Introduction to Biology of the Human organism, People and Pathogens and A Guide to Sex and Survival.					
King's College London (International Science Foundation)	65% (B) average in the Biology & Chemistry pathway to include 70% in Biology and Chemistry		65% (B) average, including 65% in a Science. Nothing less than 60%	70% (A) average, including 65% (B) in a Science. Nothing less than 60%	65% (B) average to include 65% in a Science. Nothing less than 60%	
King's College St Michaels (Science Pathway)	70% (B) overall including 70% in Biology and one other Science. Nothing less than 60%	70% (B) overall including 70% in Geography. Nothing less than 60%.	70% (B) overall including 70% in a Science. Nothing less than 60%.	70% (B) overall including 70% in a Science. Nothing less than 60%	70% (B) overall including 70% in a Science. Nothing less than 60%	
Kings Education (Advanced Level Foundation)	70% overall, including 70% in Biology and one other Science. Nothing less than 60%	65% overall, including 65% in a Science. Nothing less than 60%	65% overall, including 65% in a Science. Nothing less than 60%	70% overall including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
Loughborough College (Science Foundation)		65% average, including 65% in Hums/Social Sci with nothing less than 60%. Assuming relevant subjects studied	65% average, including 65% in a Science. Nothing less than 60%. Assuming relevant subjects studied	70% average, including 65% in a Science. Nothing less than 60%	65% average to include 65% in a Science. Nothing less than 60%	
Middlesex University Dubai IFP (Psychology pathway)				BSc Psychology only: 4/20 Overall or lower, no module higher than 8/20, including 4/20 or lower in either Introduction Psychology or Foundation Mathematics		
NCKU	Equivalent to A-Level grades. (e.g. AAA including subject specific requirements)* EAP min B overall, C in writing and D in all other skills * Where a science subject is required, this must be from one of the following: Biology Chemistry Further Mathematics Mathematics (Science) Physics	Equivalent to A-Level grades. (e.g. AAA including subject specific requirements)* EAP min B overall, C in writing and D in all other skills * Where a science subject is required, this must be from one of the following: Biology Chemistry Further Mathematics Mathematics (Science) Physics	Equivalent to A-Level grades. (e.g. AAA including subject specific requirements)* EAP min B overall, C in writing and D in all other skills * Where a science subject is required, this must be from one of the following: Biology Chemistry Further Mathematics Mathematics (Science) Physics	Equivalent to A-Level grades. (e.g. AAA including subject specific requirements)* EAP min grade A no less than C in any component	Equivalent to A-Level grades. (e.g. AAA including subject specific requirements)* EAP min B overall, C in writing and D in all other skills * Where a science subject is required, this must be from one of the following: Biology Chemistry Further Mathematics Mathematics (Science) Physics	Equivalent to international A-level grades. (e.g. AAB incl B in Biology and B in another Science). EAP min B overall, C in writing and D in all other skills Students to achieve a B or above in at least two of the following: Biology Chemistry Further Mathematics Mathematics (Science) Physics
Northumbria University (Geography and Environmental Sciences)		60% overall (2:1)	60% overall (2:1)			
On Campus Cambridge Education Group	65% overall incl. Chemistry and 70% in Biosciences. Nothing less than 60%	65% average, including 65% in Hums/Social Science. Nothing less than 60%	65% average, including 65% in a Science. Nothing less than 60%	70% average, including 65% in a Science. Nothing less than 60%	65% average to include 65% in a Science. Nothing less than 60%	
St Andrew's College Cambridge (Humanities Foundation)		65% including 65% in Hums/Social Science. Nothing less than 60%. Assuming relevant subjects studied	65% average, including 65% in a Science. Nothing less than 60%. Assuming relevant subjects studied	70% including 65% in a Science. Nothing less than 60% (incl. Maths)		
St Andrew's College Cambridge (Science Foundation)			65% including 65% in a Sci with no module less than 60%. Assuming relevant subjects studied	70% including 65% in a Science with no module less than 60% inc maths	65% overall to include 65% in a Science with no academic module less than 60%	
SOAS						
Surrey International Study Centre (International Foundation Year in Business, Economics, Law and Social Sciences)		65% average with no module less than 60%. Assuming relevant subjects studied	65% average with no module less than 60%. Assuming relevant subjects studied	70% average, including 65% in a Science. Nothing less than 60%	65% average to include 65% in a Science with no module less than 60%	
Surrey International Study Centre (International Foundation Year in Life Sciences)	65% overall including 70% in Biology and one other science. Nothing less than 60%		65% average including 65% in a Science. Nothing less than 60%	70% average including 65% in a Science. Nothing less than 60%	65% overall including 65% in a science. Nothing less than 60%.	
UCL (Humanities)		65% overall, 65% in a Humanities subject. Nothing less than 60%	Overall score of 65% including 65% in a Science. Nothing less than 60%	Overall score of 70%, including 65% in a Science. Nothing less than 60%. Nothing less than 60%.		
UCL (Science and Engineering)	Overall score of 70% including 70% in Biology and one other Science. Nothing less than 60%		Overall score of 65% including 65% in a Science. Nothing less than 60%	Overall score of 70%, including 65% in a Science. Nothing less than 60%	Overall score of 65% including 65% in a Science. Nothing less than 60%	
University of Bristol (Centre for English Language and Foundation Studies)	65% overall, including 60% in two Sciences.		65% overall including 60% in a Science.	65% overall including 60% in a Science.	65% overall including 60% in a Science.	
University of Derby (Forensic Science with Criminology with foundation year)		65% overall, nothing less than 60%	65% overall, nothing less than 60%	65% overall, nothing less than 60%	65% overall, nothing less than 60%	
University of Kent	65% overall including Chemistry and 70% in Biosciences. Nothing less than 60%	65% including 65% in Hums/Social Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	70% average including 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
University of London External Foundation	65% overall including Chemistry and 70% in Biosciences. Nothing less than 60%	65% overall including 65% in Hums/Social Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	70% average to include 65% in a Science. Nothing less than 60%	65% overall including 65% in a Science. Nothing less than 60%	
University of Plymouth (BSc Biological Sciences with Foundation)	65% overall, including 65% in Biology 1 and Biology 2. Nothing less than 60%		65% overall. Nothing less than 60%	65% overall. Nothing less than 60%	65% overall. Nothing less than 60%	
University of Sheffield International College	67% overall, including 67% in Biology and one other Science		67% overall, including 67% in a Science	67% overall, including 67% in a Science	67% overall, including 67% in a Science	
University of St Andrews IFP: Science				11 overall and no module less than 11		
University of Warwick Higher Education International Foundation (Science and Engineering)	70% overall, including 65% in a Science. Nothing less than 60%.		65% overall, including 65% in a Science. Nothing less than 60%.	70% overall, including 65% in a Science. Nothing less than 60%	65% overall, including 65% in a Science. Nothing less than 60%	
University of Warwick Higher Education International Foundation (Social Sciences and Humanities)		65% overall including 65% in a Hums/Social Sci with nothing less than 60%	65% overall including 65% in a Science (Psychology). Nothing less than 60%.	70% overall including 65% in a Science (Psychology). Nothing less than 60%	65% overall including 65% in a Science (Psychology). Nothing less than 60%.	
University of York (Science, Engineering and Language)	75% (A) overall, including 75% in Biology and one other Science	65% (B) overall, including 65% in a Science with nothing less than 60%	65% (B) overall, including 65% in a Science with nothing less than 60%	75% (A) overall including 65% overall in a Science subject with no module less than 60%.	65% (B) overall including 65% (B) in a science subject with nothing less than 60%	
UWE Bristol Biological Sciences (with Foundation Year)	65% overall, including 65% in Biology in Practice. Nothing less than 60%.		65% overall, nothing less than 60%	65% overall, nothing less than 60%	65% overall, nothing less than 60%
