

Summer School and Short Programme Scholarship application

Please return this form to the International Office, completed and with appropriate supporting documents attached, by 30 May 2015.

Please note:

Applications for these scholarships are open to UK and international students, undergraduate and postgraduate, with the exception of: undergraduates in their final year of study, where the intended period of summer school study takes place after the end of Summer Term; international students applying for a summer school in their home country; students who have studied abroad or will study abroad as part of their degree programme.

Your application will be checked by the International Office to ensure your eligibility for a scholarship.

For further information please contact the Outbound Study Abroad team (outbound@exeter.ac.uk) in the International Office.

I confirm that:

- I have not and will not in the future study abroad as part of my degree programme.
- I understand that if I do not submit a written report about the summer school to the International Office before 1 October 2015, I will be required to return the scholarship.
- I understand that it is my responsibility to make my own arrangements for travel to the summer school, for obtaining a visa if necessary, for registration on the summer school, and for all other administrative arrangements associated with the summer school.
- I will take out my own fully comprehensive travel and medical insurance to cover my travel to and from the summer school and the period of time that I am abroad.
