Virgin Guide to British Universities

## 1st in the Russell Group

for overall student satisfaction

(The National Student Survey 2016)

# About the University

Consistently one of the UK's top 10 universities, the University produces highly employable graduates ready for global careers. Living and studying on one of the most beautiful campuses in the UK, you'll join a lively community of over 22,000 students.

### Consistently the best

Exeter offers all the facilities you'd expect from a Russell Group university, but is small enough to have a friendly and welcoming atmosphere. You'll have a wide choice of flexible degrees to choose from, and with 21 subjects in the top 10 in the UK (The Times and The Sunday Times Good University Guide 2017), you'll be sure of the best education whatever you choose to study. Voted 1st in the UK for international student experience (Whatuni Student Choice Awards 2017), expect to have an amazing time at Exeter, a university consistently ranked among the best in the UK and the world.

### Unique campus environment

With campuses in Exeter and Cornwall, you'll begin your studies on the Streatham campus in Exeter, surrounded by parkland, lakes and gardens. The University has invested heavily in the campus over recent years, giving you access to impressive, cutting-edge facilities, such as the modern Forum, the centrepiece of the Streatham campus. And you'll never be far from the action – you're only a 15-minute walk from the historic, student-friendly city centre of Exeter.

### Learn with the very best

The University's academic staff don't just teach, they also carry out research – with 98% being 'internationally excellent' (Research Excellence Framework 2014), covering a range of topical issues from climate change to food security. You'll be taught by experts at the forefront of their fields who will encourage you to contribute during seminars and lectures.

### Globally employable graduates

With strong links to industry, Exeter is the university of choice for many career-minded students and international employers. Visit the Career Zone for professional advice, CV guidance, mock interviews and skills sessions. Events such as employer presentations and careers fairs will also help prepare you to compete in the jobs market and become a globally employable graduate.

### Skills for life

Stand out from the crowd with the Exeter Award, giving recognition for activities outside of your studies. Or take advantage of our award-winning employability programmes, offering work placements and support for student entrepreneurship. All these extracurricular achievements will help you develop a range of skills ready for the workplace.

"Part of the elite Russell Group, the UK's own Ivy League, we were awarded a Gold rating in the UK's first national Teaching Excellence Framework, reflecting our commitment to delivering an internationally outstanding teaching and learning environment."

### Your Study Centre

The modern INTO Study Centre is close to everything on campus from the library to the Students' Guild, so you'll be part of the University from day one. It's been designed with you in mind, and it's where most of your classes during your pathway will take place. If you're studying an English language course, you'll study at Duryard House, a traditional building near the INTO student residences.

To get you started, the Learning Resource Centre has a range of books and study materials, and the science laboratory and multimedia rooms provide opportunities for hands-on learning. You'll also find plenty of areas in which to study and socialise, including the INTO Café for a coffee or something to eat.

### Supporting you

From the moment you arrive, our Student Services team will help you settle into life in Exeter. Whether you're opening a bank account, planning a trip or have an academic question, they're here to help. For students under 18 we offer extra support and there's even a 24-hour telephone helpline if you need to speak to someone outside of office hours.

Find out more about how we support you: [www.myin.to/StudentSupportEXE](http://www.myin.to/StudentSupportEXE)

### Campus facilities

You'll find all the study and social facilities you need on campus, all just a short walk away.

- The impressive **Forum**, opposite the Study Centre, is home to useful facilities including the library.
- Stay fit, socialise and make use of some of the region's best sports facilities at the **Sports Park**, including a swimming pool, football pitches, tennis courts and golf centre.
- The **Northcott Theatre** on campus hosts touring companies and productions, and the **Bill Douglas Cinema Museum** is the second biggest subject library in the UK.
- Plenty of student-friendly study spaces are available across campus for quiet and group work.
- The University's sculpture walk is a great way to discover the campus grounds while enjoying some art.

### Get involved

There's more to campus life than just studying. You'll take part in an orientation programme in your first week which will give you the chance to meet other students. Parties, day trips and excursions organised by the Student Services team at the Centre will keep you busy the rest of the year.

Central to student life is the **Students' Guild**, one of the UK's leading students' unions. If you like live music, you'll love the Great Hall, where big-named acts perform, and the Lemon Grove, which hosts club nights, live gigs and sporting events. Test your IQ at a quiz night at the Ram Bar, or head to Comida for coffee, cake and healthy snacks.

Make friends and discover new talents by joining one of the 220 clubs and societies at the University. From Global Chums to international societies, and fashion to fundraising, you're sure to find one that's perfect for you.

"The University opened up multiple career opportunities and helped me develop a global outlook, as well as enabling me to learn technical skills. Having both qualities allowed me to get my dream job."

**Grigory, Russia**  
Graduated with BSc (Hons) Mathematics from the University of Exeter and now working as an Investment Analyst

## The great outdoors

The region's coastline and impressive national parks are only a short cycle, bus or train ride away.

-  **Jurassic Coast**  
stunning and historical section of coastline
-  **Exmouth**  
a charming, Victorian seaside resort
-  **Dartmoor National Park**  
perfect for walks or bike rides
-  **Topsham**  
historic town with award-winning restaurants
-  **Powderham Castle**

"Exeter's a safe, student city and it's really easy to walk everywhere. When I first came here my friends and I would try traditional food in different places around the city. I really like a Sunday roast!"

**Kateryna, Ukraine**  
Completed International Foundation and progressed to International Relations and Management, and Italian at the University of Exeter

### Modern city with a rich history

Vibrant and student-friendly, Exeter is a compact city with lots to do. Take a free tour of the city centre to explore the cobbled streets – the inspiration for JK Rowling's Diagon Alley in the Harry Potter books – or the historic **Gothic Cathedral** and Roman ruins. The attractive **Quayside** is a popular destination with beautiful architecture, and is the ideal place to browse in the shops, take a boat trip or find something good to eat.

### Entertainment day or night

The city's large student population and many festivals ensure a buzzing atmosphere. You'll be kept busy with theatre, cinema and music bringing something different to Exeter every night. Follow big-name acts at the **Exeter Phoenix**, watch art-house cinema at the **Picturehouse** or catch up with friends in the Victoria Inn. During the day, check out the Royal Albert Memorial Museum and modern art at **Spacex**.

### Foodie heaven

You'll be spoilt with a selection of local produce at the weekly **Farmers' Market** and you'll also find restaurants offering international cuisine. Try Tyepyedong for noodles, Al-Farid (Moroccan) and Afriteo (Caribbean). And don't forget to have a traditional cream tea in the **Cathedral Café**. There's even an annual food festival where you can try out the best food the region offers.

### High street favourites

The city centre and the modern **Princesshay** shopping centre are home to big-brand stores and smaller boutiques. Spend some time exploring the fashionable **West Quarter**, full of independent stores and vintage shops. Gandy Street, lined with cute gift shops and jewellers, offers something a bit different.

### Stay connected

A good bus and train network make exploring the region and beyond easy. You can be in London in just over two hours. And with a regional airport not far from the city, you can explore Europe and the UK.

# Choosing your course

Get university ready with our tailored, academic pathway programmes. You'll benefit from university-style teaching and the highest academic standards by choosing one of our programmes designed in partnership with the University of Exeter. And when it comes to progressing to your chosen degree, we'll support you with your university application.

"Our staff are always on hand to ensure that students get the one-to-one attention that they need, and help to develop the skills that are important for success in their studies."

Sarah Shirley  
Academic Director

## Want to improve your English?

If English is not your first language, you may be worried about studying in a different language. Our **Academic English** course provides intensive preparation to help you succeed in your academic studies. We'll provide extra support in developing your English language fluency and study skills, helping you to confidently progress to your academic programme.

For more information, see page 35.

If you hold an offer to start a degree at the University of Exeter in September 2018, our **Pre-sessional English** course will provide you with intensive preparation in academic English. You'll focus on content-specific grammar, style and structure, and have the opportunity to practise speaking English on topics related to your degree programme.

If you want to improve your English language skills for use in everyday situations, our **General English** course, with various start dates and flexible course lengths, will be perfect for you. Suitable for students of all levels, you'll improve your general language proficiency in listening, speaking, vocabulary, reading, writing and grammar.

## Flexible Combined Honours

With 36 subjects and over 1,500 degree combinations, Flexible Combined Honours allows you to combine two subjects at undergraduate degree level following your International Foundation or International Year One. Progression requirements are specific to each combination and agreed on a case-by-case basis. Previous applications by INTO students have received a conditional offer, however, this is not guaranteed.

## Placement options

Most degrees are available with a Work Placement or Study Abroad option in the third year. A Work Placement allows you to gain hands-on experience at an organisation in the UK or abroad, while Study Abroad offers an opportunity to spend a year studying at one of the University's partners around the world. See the progression table for the programme you wish to study to check if this is an option for your chosen degree.

“Our programmes allow students to develop their time management and independent learning skills. Former students have commented their course has been an invaluable preparation for their degree.”

**Andrew Boyne**  
English Teacher/Co-ordinator

“Working as a Consultant, I’m expected to work with different people from different backgrounds, attend meetings and communicate in a professional manner. While studying at INTO and at the University, I was taught to do just that. Studying at the University of Exeter I learned to be a good team player, a problem solver and to communicate effectively and professionally. Also, all those presentations that made me nervous when I was studying have helped me to gain more confidence today.”

**Delfina, Indonesia**  
Graduated with Accounting and Finance from the University of Exeter and now working as an Advisory Consultant in Indonesia

# Academic English

- > An intensive course offering rapid progress of up to one IELTS band per term
- > Blend of traditional face-to-face contact and online learning
- > A personalised programme designed to meet your individual learning needs, with five tailored study levels
- > New 16 week course available in Summer 2018, preparing you for entry to pathways commencing in January\*

\* This course is recommended if you need to increase your level in two or more subskills.

\*\* These electives may be offered online during certain periods.

**Special features**

- > Develop the language fluency and confidence you need to progress to university.
- > Gain the skills and knowledge needed for examination success.
- > Familiarise yourself with subject content related to your future studies to help you prepare for your academic programme.
- > 24/7 access to 'MyINTO', our interactive online learning platform, providing specially-designed, high-quality online materials that reflect what you study in class, giving you the flexibility to study at times that suit you and study alongside other students outside of class.
- > A standardised online assessment, developed in partnership with Cambridge English, to test all four core language skills throughout your studies enabling your progress to be accurately monitored.
- > Continue to develop your confidence and fluency outside of the classroom through a range of less formal learning opportunities, including a diverse social programme.
- > Improve your language skills pre-arrival with free access to INTO's Get Ready for English programme.

**Rapid progress**

The speed at which you develop will depend on how long you study with us, your current level, as well as how engaged you are. If you attend all of your classes, complete the exercises set by your teachers and make full use of our digital learning platform, you can expect to progress by up to one IELTS band per term.

**Progression to academic study**

Once you have reached the level required and met all other requirements, you may progress to your INTO pathway programme. You can also use your test results from Academic English for entry to the University of Exeter.

**Start dates**
