# WELCOME TO THE UNIVERSITY OF EXETER OFFER-HOLDER VISIT DAY

## Congratulations on receiving your offer of a place at the University of Exeter

Choosing your university is an important decision and we hope that this Offer-Holder Visit Day will give you all the information you need to help you make that decision.

This brochure is designed to help you get the most out of the experience.

We recommend you take time to plan your day so that you don't miss an important talk or tour. You may like to use the timetable on the back page to help you do this.

## Planning your day

Prior to your visit, please familiarise yourself with your subject-specific itinerary on your booking confirmation email. We would encourage you to attend a mixture of the subject-specific activities and the other tours and presentations that are detailed in this brochure.

Please remember to bring your registration documents and ticket with you on the day as you will require this for registration. Upon arrival please go to the Information Stand in the Forum (Streatham Campus, building 3 on the map on page 8) and Cross Keys (St Luke's Campus building 3 on the map on page 9) to register.

### Parents and guests

Some parts of the day are intended for students only and are clearly indicated on your subject-specific itinerary. Whilst students undertake these activities, parents and guests may wish to talk to staff at the Information Fair in the Forum, Streatham Campus (building 3 on the map on page 8) and Cross Keys, St Luke's Campus (building 3 on the map on page 9), attend a campus or accommodation tour, or one of the non-subject presentations.

### Catering

Marked on the map index  on pages 8 and 9 are the locations where you can get light refreshments throughout the day.

On Saturday Offer Holder Visit Days there will also be a Farmer's Market on the Main Piazza at the Streatham Campus, selling locally produced food.

### Emergencies and first aid

In case of an emergency, please contact the nearest member of staff.

### Visitors with disabilities/additional requirements

Please visit our AccessAbility and Wellbeing stands at the Information Fairs to meet our staff who are committed to supporting disabled students, staff and visitors.
