

Welcome to Cornwall!

What is a students' union?

- We're a charity organisation run by students, to improve the student experience!
- Your elected officers lead the union in paid roles
- We support your experience through...
 - Student-led events and activities

Your Campus Community

- **Find your people through our Collectives** - safe, student-led spaces for those with shared lived experiences. Meet others, share ideas, and take action together.
- Collectives feed ideas directly into **Make a Change** and **Student Forum**. Your voice shapes real action.
- You don't need to run a campaign solo – in a Collective, you've got a whole community behind you.

Make a Change and Student Forum

- Got an idea to improve campus life? Post it on **Make a Change** – get your voice heard.
- **Top 3 ideas each term** go to **Student Forum** – your chance to debate, decide, and vote on what matters most.
- Ideas agreed at Forum become:

Union Priorities – our Top 6, backed with officer time and funding.

OR

Agreed Actions – approved ideas we'll work towards when possible.

- Fancy leading the conversation? Apply to be a **Forum Facilitator**
- **Applications are open until 30th September**

Have a great time!
