

Welcome to your Students' Union

Who are we?

We're a charity organisation run by students for students, here to improve your experience!

Your elected officers lead the union and represent your interests.

We support you through:

- Student led-events and activities
- Representing your academic interests
- Connecting you with your campus community
- Standing up for you by lobbying your university

Toby Hawkins(He/Him)

President Exeter

Poppy Chapman (She/Her)

Vice President Exeter

Your 26/27 Sabbbs!

We offer Advice!

We're independent from the university, which means we can offer free, impartial advice on things like:

- Academic issues
- Housing
- Money and finance
- University processes
- Signposting to specialist support

You can book an Advice appointment on our SU website!

Student Voice

Your Academic Reps represent your voice by gathering feedback to improve your academic experience.

Rep sign ups are open now! If you're interested come chat to us or check the website.

BUT we're not just here to represent your academic interests.

If you're unhappy or spot something that can be improved about your experience outside the classroom you can Make a Change.

The top three ideas go to Forum which gives up the chance to campaign for you!

*First Forum in The SU: 21st October,
3pm*

Your Key Contacts

Niamh Broad
