Level 6 Chartered Manager Degree Apprenticeship (Mary Seacole)

BSc(Hons) Responsible Business Management

Programme cost: £22,000 **Duration:** 24 months

Our Chartered Manager Degree Apprenticeship (Mary Seacole) programme unlocks the potential of your existing managers and leaders by developing their knowledge, skills and behaviours, enabling them to drive performance and productivity improvements in your organisation.

The embedded BSc(Hons) in Responsible Business Management provides a holistic approach to developing management competencies including responsible management principles as an integrated part of every business function. Through the degree we will explore current issues facing businesses today and equip managers with a range of skills to address these challenges and opportunities as part of the healthcare industry. This degree apprenticeship has been designed as a two-year, work-based programme funded by the Apprenticeship Levy, ensuring minimum time away from the workplace. The Mary Seacole programme is ideal for both first time leaders and seasoned operational managers, with responsibilities for people and services in healthcare.

Why Exeter?

- A prestigious BSc(Hons) from a Russell Group University
- Membership of the Chartered Management Institute (CMI) from the start of the course
- Programme delivered entirely online
