# Supporting your students: KS3 and 4

We work with schools and colleges across the UK, offering a selection of activities and programmes encouraging students to consider higher education institutions, such as the University of Exeter, as a realistic and achievable goal.

We offer talks and sessions for students in Key Stages 3 and 4 but this is upon request and cannot be guaranteed. To make a booking for an in-person session **IP** please book through our [website](#). These talks are also available as short recordings **R** designed to be used in the classroom. To request a recording please email [outreach@exeter.ac.uk](mailto:outreach@exeter.ac.uk).
