

RECYCLING...

WHY BOTHER?

Recycling one tonne of paper saves **17 trees**,
7000 gallons of water and provides enough
energy to power an average home for **6 months**.

DO YOUR BIT BY RECYCLING YOUR WASTE, AND PROTECT THE PLANET

Recycling bins are located throughout the site, making it easy for you to recycle.

TYPE OF BIN*	ITEMS TO PUT IN	ITEMS NOT TO PUT IN
GENERAL WASTE 	All non-recyclable materials  ✓	Electrical items and batteries  ✗
GLASS 	Clear and coloured glass bottles and jars  ✓	Broken crockery, plastic bottles and dirty glass jars  ✗
FOOD WASTE 	Food waste only, including coffee grounds  ✓	Packaging (like plastic film and wrappers), sachets, blue roll and napkins  ✗
DRY MIXED RECYCLING 	Card, paper, plastic containers, food tins and drinks cans  ✓	Glass and food waste, including pizza boxes  ✗

* Bin styles may vary
