

Your arrival to accommodation at Holland Hall, Mardon Hall and Nash Grove

This information is relevant to students arriving to the above locations on **Saturday 12 or Sunday 13 September between 09:00-23:30 ONLY**. If you will be arriving after Welcome Weekend, please return to the [previous webpage](#) and refer to the information about arriving outside of reception opening hours.

Welcome to Exeter! We hope this information helps you understand what to expect when you arrive at your accommodation.

This is a map of Streatham Campus – available [here](#) – and we've shown the location of the Holland Hall area with a red border (Holland Hall #62, Mardon #58, Nash Grove #57):

If you are arriving between 09:00-18:00 on either Saturday 12 or Sunday 13 September, then you will need to go to **Reed Hall** (#14) to collect your key. This is shown with a blue border on the above map.

Between 19:00-23:30 on these days, keys will be issued from **Holland Hall** (#62) reception so you will need to go there instead. You'll find information about Holland Hall later in this document.

Key collection at Reed Hall between 09:00-18:00

Reed Hall is located near the top of Streatham Drive and is the main key collection point for students living in Holland Hall, Mardon and Nash Grove between 09:00-18:00 on Saturday 12 and Sunday 13 September.

The postcode for Reed Hall is EX4 4QR.

The full version of this map is included at the end of this document, and shows the letters of each block at Holland Hall.

This is the University entrance at Streatham Drive. The photo on the left is looking up from the direction of New North Road, and the photo on the right is looking down from Prince of Wales Road. Turn in here.

Head up Streatham Drive (do not take the right turn onto The Queen's Drive) and after rounding the corner towards the top of the hill you will see the entrance to Reed Hall on the right (see photo below). Things might look a bit different when you arrive because construction work in this area is ongoing.

There should be parking attendants to meet you on the approach to Reed Hall. They will check your name, and direct you to a temporary parking space so that you can go into Reed Hall to collect your key. Inside Reed Hall, look for signage telling you which room is being used for key collection.

Keys will probably have been divided up by residence, so head to the designated table. The staff or student helpers will need to see your photo ID so that they can give you your key/fob and other helpful information. You will then be able to move your car to a parking space closer to your residence. There, you have 30 minutes to unload your car before it will need to be moved to central parking on campus.

You might see Student Helpers around the residences. They will be wearing yellow jackets and can help find your room or give you directions.

Have fun unpacking and making your room your home!

Key collection at Holland Hall reception between 19:00-23:30

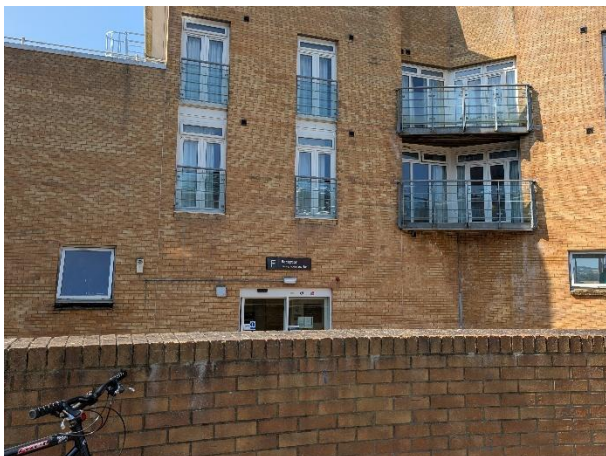

Holland Hall is located on Clydesdale Road at the top of Streatham Drive – postcode EX4 4SA. Because of nearby construction work, vehicle access will be via Mardon Hill – this will be signposted from Streatham Drive. Continue up Streatham Drive, bearing left rather than taking the right turn into Reed Hall.

Keep going up the hill. You'll pass Mardon Hall on your left-hand side but you should continue to follow the road. At the top, the road bears left onto Mardon Hill.

At the end of Mardon Hill you will reach an open area in between the blocks at Holland Hall. Depending on your arrival time, there may be a parking attendant who will be wearing a hi-vis jacket. You can park your car here while you collect your key and unpack your belongings, but please do not block the entrance as it is the only way in/out. As you approach from Mardon Hill, the reception is to your left, in F block.

Inside reception, staff will need to see your photo ID so that they can give you your key/fob and other helpful information. You will then be able to move your car to a parking space close to your residence. There, you have 30 minutes to unload your car before it will need to be moved to central parking on campus.

Useful to know! If you need to get to Holland Hall reception on foot from Nash Grove or Mardon Hall, follow the path in front of Mardon and you will find an entrance to F block as shown in the photos above. Reception is located one floor up and can be accessed either by stairs in this entranceway, or go through the double doors to get to the lift.
