

Lower Hoopern Valley - Infrastructure changes summer 2024

Key

- ◆ Lockable Noticeboards, including acceptable site use and map of site, with space for updates.
- ◆ Welcome signs, including acceptable use.
- Accessible Bench
- ▲ Bridge - new structure to be placed over existing bridge.
- ◆ Interpretation Board
- Accessible Path
- Improvements to existing mown path. Areas that become muddy in winter will be improved with gravelled areas, to look and feel natural in keeping with the character of the site
