Introduction

Where an award is credit-rated, the award has a total credit value. The total credit value includes the minimum amount of credit that is required at the academic level of the award and the maximum amount of credit permissible at the lowest academic level.

In the tables below, the parent code identifies the level of study, the RQF Level of the final award, and the number of stages.

Code	Level of study
F	Foundation
U	Undergraduate
UA	Undergraduate Apprenticeship
UT	Undergraduate Transnational Education
T	Postgraduate Taught
TA	Postgraduate Taught Apprenticeship
TT	Postgraduate Transnational Education
R	Credit-Rated Postgraduate Research
N	Non-Credit-Rated Postgraduate Research
H	Higher Doctorate

Code	Level of study
3	Foundation Certificate (FDCert)
4	Certificate of Higher Education (CertHE)
5	Diploma of Higher Education (DipHE)/Foundation Degree (FD)
6	Degree with Honours, Ordinary Degree
7	Master's Degree, Integrated Master's Degree
8	Doctorate

Thus, the parent code F31 identifies the award as Foundation, at Level 3 comprising a single stage; the parent code U63 identifies the award as Undergraduate at Level 6 comprising three stages.

³⁴ The Bachelor of Arts (Ordinary) awards designated as part of BA/BSc programmes in Penryn are available only to students on the BA/BSc Geography suite of programmes having completed the GEO3438 BA Dissertation module and BA/BSc Global Sustainability suite of programmes having completed the BIO3447 BA Dissertation module.

³⁵ The Bachelor of Science (Ordinary) awards designated as part of BA/BSc programmes in Penryn are available only to students on the BA/BSc Geography suite of programmes having completed the GEO3439 BSc Dissertation module and BA/BSc Global Sustainability suite of programmes having completed the BIO3446 BSc Dissertation module.

³⁶ The Bachelor of Science (Ordinary) with Year Out at UoE at Stage 3 award is available only as an exit award in those programmes where Stage 3 comprises 120 credits taken at the University of Exeter. Currently, the only programme in this category is the BSc Psychology with Data Science (UFS4PSYPSY03). The student must have taken 480 credits in total but the 120 credits at Stage 3 are explicitly excluded from the award calculation as a result of failure of Stage 3.

³⁷ The Bachelor of Science (Honours) (Medical Studies) award (U63-03-01) is available only as an exit award from the BMBS programme following completion of Stage 3, with the award classification based on a z-score calculated by University of Exeter Medical School derived from the mean and standard deviations for assessments in Stages 2 and 3.
