## **6. Exclusions and Exceptions**

These scholarships are intended for self-funded students.

If your tuition fees will be financed by an external body (such as an overseas government or a partner Institution) with whom the University has a shared financing agreement, then this award may be invalidated or superseded with a different fee arrangement.

If you expect to receive funding from a charity this may also make you ineligible to receive this scholarship.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please email a copy of the award letter to admissions: [ug-ad@exeter.ac.uk](mailto:ug-ad@exeter.ac.uk)

You cannot normally receive more than one scholarship (tuition fees discount) from the University of Exeter; if you are offered multiple scholarships, then you will be awarded whichever scholarship has the higher value. However, the following exceptions apply:

- Applicants eligible for an award under this University of Exeter Undergraduate Scholarships 2026/27 for Malaysia, Singapore and Thailand scheme who are joining year one through an institutional progression or articulation agreement where a partial tuition fee discount is applied can receive both discounts, subject to a maximum award value of £10,000 in any eligible year of study.
- Applicants eligible for an award under this University of Exeter Undergraduate Scholarships 2026/27 for Malaysia, Singapore and Thailand scheme, for direct entry to year one only, can receive this together with an Exeter Excellence Scholarships 2026/27 – Undergraduate scheme award, subject to a maximum award value of £10,000 in any eligible year of study.

(If the combined value of awards would exceed £10,000 the value of the scholarship(s) will be reduced to stay within this limit.)

## **7. Award payment**

If you defer your 2026/27 offer or change fee status, then your scholarship offer will be invalidated.

If you transfer to an ineligible programme, then your scholarship offer will be invalidated.

This scholarship will be awarded as a reduction in tuition fees; it cannot be paid as cash or attributed to other charges such as accommodation fees. It will be automatically deducted from your tuition fees following enrolment. If you choose to pay your tuition fees in instalments, the award will be deducted from the total annual tuition fee and the remaining balance split accordingly.

Tuition fees deduction/s due are applied to your student account and show in your online statement within the first four weeks of study. Any awardees studying part time (under the

relevant visa regulations) will receive the full Scholarship deduction in their first year. Where multiple awards have been offered, in line with the relevant exclusions and exceptions, ineligible scholarships may be removed during the first term of study.

In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment, subsequent adjustments to fees or other requirements:
