6. Exclusions and Exceptions

These scholarships are intended for self-funded students.

If your tuition fees will be financed by an external body (such as an overseas government or a partner Institution) with whom the University has a shared financing agreement, then this award may be invalidated or superseded with a different fee arrangement.

It is your responsibility to inform us if you are in receipt of any external funding (other than personal loans) prior to enrolment, as this may affect your scholarship eligibility; please email a copy of the award letter to admissions: ug-ad@exeter.ac.uk

You cannot normally receive more than one scholarship (tuition fees discount) from the University of Exeter; if you are offered multiple scholarships, then you will be awarded whichever scholarship has the higher value. Scholarships may only be combined where this is expressly permitted in the terms and conditions of, or the agreement for, the relevant award(s), and a cap may apply.

7. Award payment

If you defer your 2027/28 offer or change fee status, then your scholarship offer will be invalidated.

If you transfer to an ineligible programme, then your scholarship offer will be invalidated.

This scholarship will be awarded as a reduction in tuition fees; it cannot be paid as cash or attributed to other charges such as accommodation fees. It will be automatically deducted from your tuition fees following enrolment. If you choose to pay your tuition fees in instalments, the award will be deducted from the total annual tuition fee and the remaining balance split accordingly.

Tuition fees deduction/s due are applied to your student account and show in your online statement within the first four weeks of study. Any awardees studying part time (under the relevant visa regulations) will receive the full Scholarship deduction in the first part of each whole year. Where multiple awards have been offered, in line with the relevant exclusions and exceptions, ineligible scholarships may be removed during the first term of study.

In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment, subsequent adjustments to fees or other requirements:
