Claims Conditions

1. Acceptance of payment

If the *Company* has made full payment for a claim under this policy to the *Insured* then the *Company* will not have to make any further payments for the same claim.

2. Claims notification in a reasonable time

All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in the *Company's* rejection of the claim if it is made so long after the event that the *Company* is unable to investigate it fully or may result in the *Insured* not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.

3. Claim Form and claims evidence

The *Company* will ask for the completion of a claim form and for the claimant to provide all reasonable and necessary evidence (including receipts and invoices as applicable) required by the *Company* to support a claim at their own expense. If the information supplied is insufficient, the *Company* will identify the further information which is required. If the *Company* does not receive the information it needs, the *Company* may reject the claim or withhold payment until the information it may reasonably require has been received. If a claim is made under section A, the *Company* may require information to show that the *Bodily Injury* is as a result of an *Accident*.

4. **Currency**

Claims involving foreign currency will be converted into the currency in which the premium and benefits/*Sum Insured* limits are shown, at the selling rate of exchange published on: www.oanda.com/currency/converter on the day of the loss or the next business day. Unless specifically agreed otherwise, claims will be paid in the *United Kingdom*.

5. **Jurisdiction**

There may be jurisdictions in which local law precludes the *Company* from paying, defending or otherwise responding to a claim locally. If the *Company* is so precluded, the *Company* will reimburse the *Insured*, in the *United Kingdom*, for amounts due under the policy in lieu of responding locally. Moreover, the *Company* is not providing legal, regulatory or tax advice in connection with any transaction.

6. **Information from third parties**

The *Company* reserves the right to contact third parties who have or who were to provide services to the *Insured* or *Insured Person* (for example an airline, travel company or hotel) to verify the information provided to support a claim.

7. **Medical reports and examinations**

The *Insured Person* must give the *Company* permission to obtain any medical reports or other records needed from any *Medical Practitioner* who has treated the *Insured Person* otherwise the *Company* may not pay the claim.

The *Company* may ask the *Insured Person* to attend one or more medical examinations. If the *Company* does, the *Company* will pay the cost of the examination(s) and for any medical reports and records (and the reasonable costs of the *Insured Person*, and any person required to travel with the *Insured Person*, provided these expenses are agreed by the *Company* in advance). If the *Insured Person* fails to attend without reasonable cause, the *Company* may reject the claim. If an *Insured Person* dies, the *Company* has the right to ask for a post-mortem examination at its own expense. If this is refused, the *Company* may not pay the claim.

8. **Other Insurances**

If at the time of a claim there is another insurance policy in the *Insured's* name which covers the *Insured* or the *Insured Person* for the same expense or loss, the *Company* will only pay a proportion of the claim, determined by reference to the cover provided by each of the policies, except for section A, items 1-6 on the *Schedule*, which are payable in full.

9. **Payment of claims monies**

All claim payments under this policy will be made to the *Insured*. The *Company* will not pay an *Insured Person* or other person directly other than at the *Insured's* request and the *Company* has agreed to do so.

If the *Company* agrees to pay the *Insured* a valid claim for cover under this policy that has been arranged or purchased for the direct benefit of an *Insured Person* (other than where the *Company* has agreed to an assignment), the *Insured* agrees to promptly forward any payments received under this policy to that *Insured Person* to the extent that the *Insured Person* has suffered *Bodily Injury*, loss, damage or expense recoverable under the policy or is otherwise entitled to a policy benefit payment either contractually or implied.

The receipt of the payment by the *Insured* will discharge the *Company's* liability to pay any amount directly to the *Insured Person*. The *Insured Person* (or their legal representative) has no right to claim or sue the *Company*. The receipt of the payment shall discharge the *Company* in respect of its liability to indemnify, or pay the benefits concerned.

10. **Reasonable requests**

If the *Insured*, the *Insured Person* or the claimant, does not comply with any reasonable request by the *Company* in accordance with claims process and conditions, the *Company* may not pay the claim.

11. **Recovery from third parties**

In the event that a third party is held liable for all or part of any claim paid under this policy, the *Company* may exercise its legal right to pursue the third party to recover its outlay. The *Insured* or an *Insured Person* will upon the *Company's* request agree to provide all reasonable assistance in the exercise of this legal right of recovery and permit the *Company* to do such acts and things as may be necessary or reasonably required for the purpose of exercising this right. The *Company* will pay the costs and expenses involved in exercising its right against the third party.

D. Quadriplegia	£150,000
E. Hemiplegia	£50,000

Non-specified injuries and how the Company assesses them

- a) If the *Insured Person* suffers *Bodily Injury* to a part of the body that is listed on the *Schedule*, items 2-4a of section A or listed under items A(i)-ix) contained within the specific disabilities table above.

The *Company* will ask the *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* who treated the *Insured Person's* injury to assess the degree of their post-*Accident* impairment and disability and explain their assessment. If they are unable or unwilling to do this in a timely manner or if they are unable to provide the *Company* with justifiable evidence to support their assessment, the *Company* will appoint an independent *Medical Specialist* to make this assessment. This may require them to examine the *Insured Person* and/or review their medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made.

The *Company* may also ask an independent *Medical Specialist* to examine the *Insured Person* and/or review their medical records and other medical reports to obtain a second opinion. The *Company* may also ask the *Insured Person's* treating *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* to review and comment on the assessment made by the independent *Medical Specialist* the *Company* appoints to reach a joint agreement.

Once the *Company* is in receipt of the assessment(s) it will then calculate as a percentage disablement to the nearest *Permanent Disability* item shown on the *Schedule* to arrive at a claim payment amount. The *Insured Person's* occupation or age will not be a relevant factor in assessing the relevant percentage.

- b) If the *Insured Person* suffers *Bodily Injury* to a part of the body that is not listed in section A on the *Schedule* under items 2-4a or cannot be assessed by reference to the stated percentages of the Specific Disabilities table above items A(i)-ix):

The *Company* will assess the injury as a percentage of the body as a whole and apply this to the amount shown for item 4a of section A. To do this the *Company* will ask the treating *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* that treated the *Insured Person's* injury to review the impairment and disability and provide the *Company* with their assessment. If they are unable or unwilling to do this in a timely manner or if they are unable to provide the *Company* with justifiable evidence to support their assessment, the *Company* will appoint an independent *Medical Specialist* to make this assessment. This may require them to examine the *Insured Person* and/or review their medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made.

The *Company* may also ask an independent *Medical Specialist* to examine the *Insured Person* and/or review their medical records and other medical reports to obtain a second opinion. The *Company* may also ask the *Insured Person's* treating *Medical Consultant*, *Medical Practitioner* or *Medical Specialist* to review and comment on the assessment made by the independent *Medical Specialist* the *Company* appoints to reach a joint agreement.

Once the *Company* is in receipt of the assessment(s) it will then calculate as a percentage disablement of the body as a whole and apply this to the amount shown for item 4a of section A to arrive at a claim payment amount. The *Insured Person's* occupation or age will not be a relevant factor in assessing the relevant percentage.

Conditions applicable to Permanent Partial Disablement

Where the *Insured Person* suffers more than one form of *Permanent Partial Disablement* arising from one *Accident*, the percentages from each will be added together, but the *Company* will not pay more than 100% of the *Sum Insured* under item 4a of section A on the *Schedule* other than for *Permanent Partial Disablement* items C-F (Additional Payments) which will be payable in addition to the amount payable under item 4a.

Other than as provided for above, if a claim is payable for loss of, or loss of use of a whole part of the body, a claim for any component of that whole part cannot also be made.

Provisions applicable to section A

1. **Disappearance**
If an *Insured Person* goes missing during the *Operative Time* and after a suitable period of time it is reasonable for the *Company* to believe that the *Insured Person* has died as a result of *Bodily Injury* during the *Period of Insurance*, the *Company* will pay the *Sum Insured* shown on the *Schedule* to the *Insured* provided that the *Insured* signs an agreement that if it later transpires that the *Insured Person* has not died, any amount paid will be refunded to the *Company*.
2. **Unavoidable Exposure and other injuries**
If an *Insured Person* suffers *Bodily Injury* as a result of unavoidable exposure to severe weather conditions, or an insect or animal bite, unintentional drowning, poisoning or asphyxiation this will be considered to have been caused by an *Accident* under the terms of this policy.
3. **Existing conditions**
Under section A of the *Schedule*, the *Company* will only pay for the *Bodily Injury* an *Insured Person* has suffered if it is directly as a result of the *Accident*. Any existing physical impairment or medical condition an *Insured Person* has before the *Accident* will be taken into consideration in calculating the amount payable on the basis of the difference between their physical impairment or medical condition before and after the *Accident*. The *Company* will ask an *Insured Person's Medical Practitioner* (if suitably qualified) or the *Medical Specialist* that treated them to make these assessments (or an independent *Medical Specialist* or other suitably qualified person if they are unable or unwilling to do so). The assessment will be converted into a percentage and applied to the policy benefit payable.
4. **Amended Permanent and Temporary Total Disablement for Non Employees**
If an *Insured Person* is not a *Business Partner*, *Director* or *Employee* of the *Insured* then the definition for *Permanent Total Disablement* is amended to "a permanent, total and irrecoverable disablement which totally prevents an *Insured Person* from working in paid employment for which they are suited by way of training, education or employment which in all probability will continue for the remainder of their natural life". In addition, cover for *Temporary Total Disablement* or *Temporary Partial Disablement* under items 5 and 6 of section A will be limited to *Out of Pocket Expenses* only. The definition of *Permanent Total Disablement* is amended to "a permanent, total and irrecoverable disablement which totally prevents an *Insured Person* from working in paid employment for which they are suited by way of training, education or employment which in all probability will continue for the remainder of their natural life".
7. **Piloting**
Unless specifically agreed otherwise, the amount the *Company* will pay will be reduced to the *Sum Insured* shown on the *Schedule* or £25,000, whichever is less, for items 1-4b of section A, for *Bodily Injury* as a result of the *Insured Person* flying as a pilot (including ballooning, hang-gliding, paragliding, microlight flying).

If the *Insured Person* is covered under item 1 but the *Sum Insured* is less than that for items 2-4b, the *Company* will only pay item 1 if the *Insured Person* dies in the 13 weeks following the date of the *Accident*.

9. **Payment of Benefits**

The *Company* will only pay one of the items 1-4b under section A of the *Schedule* in respect of the same loss, and the amount paid will be for the cover item that most closely describes the loss and any payment made under items 5 and 6 of section A will stop when the *Company* pays the full amount due under items 1-4b.

10. **Calculation of Weekly Benefit**

Where a period of *Temporary Total Disablement* is less than 7 consecutive days the amount the *Company* will pay for each working day will be calculated as a percentage of the *Insured Person's* normal days/hours of work per week in accordance with their contract of employment and applied to the amount specified on the *Schedule*.

11. **Dividend Payments**

Dividends received as income arising solely from employment with the *Insured* will be included as part of the *Insured Person's Annual Salary* or *Gross Weekly Wage* for the purposes of calculating the amount payable under any of the items 1-6 of section A of the *Schedule*, provided that they are:

- b) If the actual premium calculated is greater than the premium already paid for the *Period of Insurance*, the *Insured* will pay the balance to the *Company*. If it is less, the difference will be repaid to the *Insured* subject to any agreed minimum retained premium.
- c) Any permanent alterations to the policy during the *Period of Insurance* for which an additional premium has been or would have been charged will be included in the adjustment calculation.
