# Gateway Display

The applicant gateway should guide the applicant through the stages from submitting their application all the way through to registering here as a student.

As sections are completed, the status will update with a green tick, as shown below.

References	We require 1 reference.
	Upload your Reference when you can. (This may take several days to be updated here.)
Results	**Upload your Transcript** when you have it. (This may take several days to be updated here.)
Confirmation of Acceptance for Studies	You will need a Confirmation of Acceptance of Studies (CAS) from us in order to apply for your Tier 4 visa. We will contact you via email at the appropriate time.
English Language	We require evidence of your proficiency in English to our required standard. You can find details on our website.
	Upload your English Language Certificate when you have it. (This may take several days to be updated here.)
Work Experience	
All conditions met	Once you have met all the above conditions, we will send you an updated offer letter.
Document clearance	Once you have completed the above steps, we will invite you to book an appointment to present your original documentation. We will send this invitation as part of an email approximately 4 weeks before the start of your course.
Ready for registration	Once the above steps are complete we will invite you to complete online registration approximately 4 weeks before the start of your course.

One of the sections for completion is the 'Results' section

| Results | **Upload your Transcript** when you have it. (This may take several days to be updated here.) |

When the applicant selects the 'upload' button here, the applicant is presented with a standard file uploader screen, as shown below.

Once the applicant has submitted this, it will be sent to the Admissions team to consider.
